

## The Yun Family's Ninth Child is an Imp! Chapter 2756

In the big kitchen, everyone was chatting as they worked. Naturally, the focus of their discussion could not be separated from a certain Jiu who had been playing tricks recently.

Everyone was rejoicing. Fortunately, they had stopped in time and did not provoke Yun Chujiu. Otherwise, this fellow would even dare to blow up his self-reflection hole. If they provoked her, they might even blow up the big kitchen!

Just as everyone was talking, they heard a bang. A person fell from the roof and coincidentally fell onto the stove. Coincidentally, there was half a pot of hot porridge in the pot..

A certain someone finally quietly and smoothly got what he wanted. He kissed his little wife until she was in a mess. The Sky and Earth were dark!

A certain someone looked at his little wife's confused expression and felt very pleased. It seemed that little jiu was completely convinced by his charm, then, he heard his wife say, "Prince Charming, you can play by yourself for a while. I'll go and take a look at that little B \* Tch's sorry state."

Yun chujiu did not wait for di beiming to speak after she finished speaking. She pushed open the courtyard door and ran towards the big kitchen.

A certain someone was stunned on the spot. Her lonely figure was even more lonely than that half-dead tree. Where was the sweetness and sweetness that they had agreed upon? What happened to the intimacy?

Yun chujiu saw a hole in the roof of the big kitchen from afar. Amidst the chaotic sounds, qu Shanshan's shrill scream was especially, MM, especially pleasant to the ears.

Yun chujiu stood at the entrance of the big kitchen and looked inside. She saw Qu Shanshan's hair and body covered in hot porridge. Her face was also full of blisters. She looked as embarrassed as she could be.

"Hey, what's Going On? Qu Shanshan, didn't you want me to go on the competition stage? Why did you come to the kitchen to have porridge?" Yun chujiu hugged her shoulders and smiled proudly.

"B \* Tch! I'm going to kill you!"

Qu Shanshan rushed at Yun Chujiu like she was crazy. She felt that all of this was caused by Yun Chujiu. She had to kill this B \* Tch today.

Yun chujiu naturally would not just stand there and wait to be beaten. With a light leap, she jumped out of the kitchen and threw a large oil paper bag of chili noodles at Qu Shanshan.

Qu Shanshan did not know that Yun chujiu would be so wicked. She was in a hurry to kill Yun Chujiu, so she smashed the oil paper bag into pieces.

Boom!

The chili noodles in the oil paper bag blew on Qu Shanshan's face. Her face was already covered in blisters, but now that the chili noodles were on it, the sour feeling was indescribable.

"Ah! Ah! Ah! Yun Chujiu, B \* Tch, i..."

Qu Shanshan was in pain and anger. She rolled her eyes and actually fainted with a choking sound.

Yun chujiu touched her nose and said to the crowd, "Did you all see that? I didn't do anything! Her physical fitness is too poor. She actually fainted after running a few steps. She really lacks exercise!"

The crowd was speechless. Could you be any more shameless?

You Didn't do anything? ! What else do you want to do by sprinkling chili noodles on her wound? !

Qu Shanshan's lackeys saw her sorry state and forcefully endured the discomfort to wake her up.

"B \* Tch, just you wait. I'm not done with you!"

After qu Shanshan finished her harsh words, the lackeys helped her out of the kitchen.

Yun chujiu shrugged her shoulders and said it as if if she didn't do it today, she would be able to forget her past with a smile. Pretentious!

Yun chujiu turned around and took a few steps forward. The people in the kitchen subconsciously took a few steps back. Fatty Wang said with a trembling voice, "Yun... Junior Sister Yun, what... What are you doing?"

"Why Are You So Nervous? I'm just looking for something to eat,"Yun Chujiu said speechlessly.
