

The Yun Family's Ninth Child is an Imp! Chapter 276

Di Beiming felt his honor hurt a little!

'Black Thing, what do you mean you still want to slowly pick? What are you still picking? You've already seen my body! You are already with me, yet you still want to pick others? You're really courting death!

Yun Chujiu was already immune to Di Beiming's knife-like gaze and continued to eat happily.

When Xue Wuji saw Di Beiming's ugly expression, he calmed down a little and said with a smile, "Little Sister Jiu, did your hair get struck by lightning? Exactly what happened yesterday?"

Yun Chujiu giggled. "What about it? Are you thinking that our new hairdo is very shiny? Let me tell you, at night, we don't even need to light candles in the house. Our bald heads lights up the room!"

The corner of Xue Wuji's mouth twitched. "You really make the best use of everything, Little Sister Jiu! How did you guys become bald?"

"Didn't you already mention why? It was struck by lightning! Yesterday, I went to the mountain to pick mushrooms. God had a stroke and started to strike lightning at us. I'm very timid. Although I have a thunder root spirit, I'm also afraid of being struck by lightning! Fortunately, my Prince Charming bravely appeared and saved me! Unfortunately, I was unlucky enough to be struck by lightning a few times and ended up like this!" Yun Chujiu spewed nonsense with a serious face.

An Feng and An Yin almost laughed out loud! The two of them were afraid of being discovered by Xue Wuji, so they quickly suppressed their laughter! 'Miss Jiu is too good at making up stories!

'Picking mushrooms? Are you kidding me?

'You? Timid?

'Damn, I'm afraid that even if we add our courage together, we won't be as brave as you!

'Are you still afraid of being struck by lightning?

'You weren't even struck to death by lightning after ten hours. Aren't you guilty of saying that?!

Xue Wuji saw Yun Chujiu's serious face and Di Beiming's expressionless face, so he believed her!

However, the lightning strike yesterday lasted ten hours, and that was really strange! Could it be that some strange treasure appeared in Spirit radiance Sect's mountains?

It should not be. Even in the Tianyuan continent, there was no treasure that could attract lightning strikes for ten hours!

Xue Wuji could not figure it out, so he temporarily put the matter aside and continued to chat and laugh with Yun Chujiu.

It had to be said that Xue Wuji was indeed better at pleasing girls compared to Di Beiming. Soon enough, Yun Chujiu was giggling happily.

Di Beiming was so angry that he gritted his teeth. "Stop laughing! It's so unpleasant to hear!"

"Little Sister Jiu, don't listen to him! Your laughter is like a silver bell, it's very pleasant to hear! Little Sister Jiu, some people are villains who beg for gratitude after retribution. You can't tolerate him just because he saved you!" Xue Wuji continued to provoke him. He was simply enjoying himself, seeing Di Beiming's face getting darker and darker! He felt a sense of accomplishment for stepping into Di Beiming's territory!

As expected, Di Beiming's expression was extremely unsightly. "Xue Wuji, you've had enough. Shouldn't you scram?"

"Di Beiming, this isn't your territory. This is Spirit Radiance Sect, and it's little ninth sister's courtyard. I can stay here as long as I want. What do you care? I will be staying here tonight! Little Sister Jiu, what do you think?" Xue Wuji looked at Di Beiming provocatively.

Everyone's gaze was focused on Yun Chujiu, especially Di Beiming, whose eyes flashed with a heavy warning.

Yun Chujiu was silent for a moment, and then she looked like she suddenly understood. "Ah, so that's how it is! Brother Wuji, then you can stay here! I'll stay at my sister's place. Tonight, you can share a bed with my Prince Charming! You guys should keep in touch.

"No wonder you've been advising me not to be with Prince Charming. It turns out that the two of you are a couple. I'll fulfill your wish then. You two can be together tonight! I'll leave the house to the two of you.

"An Feng, An Yin, and Huahua. No one is allowed to enter the house at night to disturb Prince Charming and Brother Wuji's love, do you hear me? The two of them have been love-hate relationship with each other for so many years. They don't get many chances to try each other out!

"There's no gender difference in love. You can't discriminate against them! Do you have red letters or red candles in your storage rings? Hurry up and make the arrangements. Today is their wedding night!"
