

The Yun Family's Ninth Child is an Imp! Chapter 2761

Yun Chujiu felt that her journey of searching for secrets had come to an end for the time being. When she had the chance, she would investigate the place up there again.

Otherwise, if she were to go out so rashly, she would probably be disliked again.

Just as this fellow was about to leave, he vaguely heard someone speak again.

“Senior brother he, I heard that Yun Chujiu has asked to be grounded. I reckon that our shi yuan sect will be quiet for a few days. Fortunately, she didn't come up to our water mountain. Otherwise, our treasures might have suffered.”

“Isn't That So? ! I heard that Yun Chujiu is a foodie. If she knew that our water mountain's lotus pond has the extremely delicious green jade lotus root, she would definitely come and harm us.”

“That's right. However, we can't let our guard down. We must constantly keep an eye on the movements of that scourge so that we won't be caught off guard.”

..

A certain Jiu's eyes instantly lit up!

Green Jade Lotus Root? My Goodness, isn't this the only type of lotus root in the world that doesn't grow in the mud? I heard that the taste of that lotus root when eaten raw is even sweeter than a spirit fruit. If it was stewed in soup, it would be so fresh that it would make one swallow their tongue.

Now, the question was, would she go along with it or not?

Entering the treasure mountain empty-handed was clearly not this fellow's character. Therefore, this fellow did not have any mental struggles. After the two disciples left, she took out her large kitchen knife and started to chop.

After all, she could just use something to block it. Moreover, she was also a member of the murderous Yuan sect. It was not a big deal to eat a few lotus roots, right? Yes, that was it. It really was nothing.

This fellow had always been willful. Moreover, she did not have any absolute concept of right and wrong. Therefore, it was impossible to rely on her three views of the world.

After she cut a gap, she leaned out to take a look. Immediately, she grinned!

A pool full of green jade lotus roots and snow-white lotus roots seemed to be waving at her! TSK TSK, this kind of green jade lotus root was still the best. It looked clean and tender. It was simply too tempting, wasn't it? !

This fellow was afraid that the long night would bring more trouble, so she specially picked the largest green jade lotus root and stuffed it into her storage ring. This fellow was listless and evil. She only took the lotus root away, but the lotus leaves on it did not move at all, therefore, it was estimated that no one would notice it in a short while.

This fellow felt that it was almost done, so she went back into the underground river. After mending the gap, she swam back in satisfaction.

This fellow was afraid that someone would notice it, so she climbed up and covered the cave tightly. Anyway, there were a lot of big rocks in her storage ring.

After filling it up, she covered it with soil. She even sprinkled some grass seeds on it and used some diluted guai Cao juice to accelerate the growth.

Soon, there was no difference between it and other places. It was perfect!

Only then did Yun chujiu release the sad long-eared wind-blade rabbit. The long-eared wind-blade rabbit looked around with a confused and confused face. Who Was It? Where was it?

This was clearly a cave before, why did it turn into a grassland now?

Yun Chujiu threw a few hemostatic pills to it. "Here, this is your compensation. Don't go into a hole just because you see it, idiot!"

After saying that, Yun chujiu hopped away from the back of the mountain.

This fellow's heartbreak had already been cured by the Green Jade Lotus. Since he had nowhere else to go, he would just go back to his dormitory.

As for the vicious words that he had let go of earlier, tsk! Who hadn't said a few angry words before? could he really take it seriously? ! Moreover, that was my courtyard, why should the pretty boy occupy it!
