

## The Yun Family's Ninth Child is an Imp! Chapter 2763

Di beiming did not comfort Yun chujiu. Instead, he stood there in a daze.

He recalled the scenes of the two of them getting along. It seemed that little jiu had been tolerating him. He doted on Little Jiu more than he was tolerating her.

When di beiming regained his senses, Yun Chujiu was already sleeping on the table. There were still tears in the corner of her eyes.

Di beiming felt both guilty and sad. He picked Yun chujiu up and placed her on the bed. He used a towel to gently wipe a certain Jiu's crying face.

Di beiming slept with his clothes on. To be more precise, he did not feel sleepy lying down.

As the seal was broken bit by bit, many familiar and unfamiliar memories flooded into his mind. It was a huge impact on him.

In addition to the fact that he was facing a powerful enemy, it had been a long time since he had properly examined his relationship with little jiu. He felt that he loved her, and she loved him, and that was enough.

However, tonight, he finally knew how wronged Little Jiu felt. Perhaps it wasn't because of the effects of the alcohol, but she would never say these words. At most, she would just lash out and scold him like she did during the day.

Di Beiming's eyes were a little red. Before he reincarnated, he was alone. He had no family, no friends, and no lover.

Even in this life, he didn't fit in with the people around him. His heart was like a stone, as if it was wrapped in ten thousand years of ice. No one had ever entered his heart.

He didn't expect that, by a fluke of fate, he didn't know when he started to have such a concern in his heart. He had someone who wanted to protect him forever.

However, he was just like Little Jiu had said, he did not know how to express his love. He felt that giving her something to help her solve her problems, and that he could disregard his life and death for her, this was love.

He was wrong. Other than these things, Love also had tolerance and tolerance, and it was not like one of them was bossy and willful..

The next morning, a certain Jiu opened her eyes and found herself lying on the bed. Under her head was di Beiming's arm. This fellow had drunk a little too much last night, and he had blacked out!

Therefore, she did not remember what she said or did. She was afraid that di beiming would look for her to settle the score, so she smiled ingratiatingly, "Hi, Prince Charming, good morning! Well, I'll prepare some face washing water for you now!"

This guy was about to get off the bed when di beiming pulled out his arm and said gently, "You lie down. I'll prepare some face washing water and breakfast for you. I'll call you when it's done."

Yun chujju pinched herself secretly. Damn, it really hurts!

It seemed like he wasn't dreaming. was the Pretty Boy possessed by a Ghost?

He looked at di beiming in a daze. As expected, di beiming got up and left the bedroom. He didn't even put on his shoes and looked out through the crack in the bedroom door.

Di beiming didn't have hot water in his storage ring, so he used his spiritual power to heat up the water. Then, he placed breakfast on the table and said to the bedroom with an unprecedented gentleness, "Little Jiu, come out and wash up!"

Yun chujiu shivered. Damn it, it's over! It's over! The pretty boy must have become mentally ill after being scolded by her yesterday!

The guy pushed the door open, with a sobbing voice, he said, "Prince Charming, the things I scolded you yesterday were all angry words. Don't take it to heart. "If you have any discomfort in your heart, hurry up and say it. You can just scold me a few times. Don't be like this. I'm scared. I keep feeling like you've been possessed by a Ghost!"

Di beiming:"..."

Was it difficult to be a virtuous and virtuous boyfriend? He really wanted to turn back into a wild and arrogant man who hated the heavens and the earth. What was wrong with him?
