

The Yun Family's Ninth Child is an Imp! Chapter 2764

When di beiming saw Yun Chujiu standing on the ground barefooted, he quickly carried her by the waist. Just as he was about to yell at her, he thought of tolerance and tolerance, he softened his tone and said, "Little Jiu, why aren't you wearing your shoes when you're on the ground? What if you catch a cold?"

As di beiming spoke, he placed Yun Chujiu on the chair. Then, he went to the bedroom and took out Yun Chujiu's boots. He gently helped Yun Chujiu put them on her feet.

Yun chujiu suddenly thought of a lot of scary things. For example, people who had suffered a blow and had a split personality. People who had suffered a severe blow would have a drastic change in personality. In short, she felt that di beiming was too abnormal!

"That, that, my Prince Charming, did I say something that I shouldn't have said last night?"

Di beiming shook his head. "No, you might have drunk too much and fell asleep when you entered the room."

Yun chujiu touched her nose, "Really, really? If, I mean if, I said something that I shouldn't have said. Just treat it as if I'm talking nonsense. Don't take it to heart."

"Yes, I know. Come, wipe your face." Di beiming said as he wet the towel and gently helped Yun Chujiu wipe her face.

Yun Chujiu felt uncomfortable all over. Damn, there was definitely something wrong! How did he change from a cocky man who hated the heavens to a virtuous and warm man overnight?

This was nothing. During the meal, di beiming served her wholeheartedly. He was just short of feeding her with a spoon.

Yun chujiu was on tenterhooks during the meal. It was not easy to finish the meal, but di beiming quickly cleaned up the table.

“Little Jiu, the weather today is not bad. Let’s go outside and play chess while we bask in the Sun!” Di beiming said gently.

Yun chujiu nodded stiffly. She did not know whether to move her left or right leg first. In the end, it was di beiming who carried her into the courtyard.

When playing chess, it was even weirder. Di beiming lost every time except for losing. He even praised her stiffly from time to time:

“Little Jiu, you’re really amazing!”

“Little Jiu, you’re really smart!”

“Little Jiu, your chess skills are really superb!”

..

Yun Chujiu couldn’t take it anymore. She slammed the stone table and said, “Pretty Boy, What’s wrong with you? What’s wrong with you? !”

Di beiming suppressed the scolding that almost came out of his mouth. He squeezed out a smile and said, “Little Jiu, I feel that I didn’t treat you well in the past, so I’ve decided to correct myself in the future.”

Yun Chujiu was stunned. Was this the reason?

“Oh my God! Prince Charming, you should have told me earlier! So you have found your conscience! This scared me. I thought that you were possessed by a ghost! Well, since you want to change, go and wash this green jade lotus root for me. Then cut it into slices. Don’t cut it too thick or too thin. Do You Hear Me?”

Di beiming silently recited tolerance and tolerance three times in his heart before he did not fly into a rage.

However, when he saw the green jade lotus root on the table, he could not help but ask in surprise, “I heard that this green jade lotus root is very rare. Where did you get it?”

Yun chujia crossed her legs, she said proudly, “Yesterday, I was not in a good mood because of a breakup, so I went to the back of the mountain to relax. Then, I met a rabbit... How was it? My Luck is not bad, right? “Hehe, it will probably take a few days for those idiots from Water Mountain to realize that more than half of the lotus root is missing. hahaha!”

Di beiming subconsciously wanted to scold her for messing around, but when he thought of tolerance and tolerance, he squeezed out three words from between his teeth, “HMM, not bad.”
