

The Yun Family's Ninth Child is an Imp! Chapter 2765

After di beiming had cut the green jade lotus root, he placed it on the Stone Table.

Yun chujiu picked up a slice, she said in a picky manner, "It's a little thick, but it's okay! You just need to practice more in the future! It's not that I'm criticizing you, but you're quite a big man. You Can't even cut the lotus root well. Sigh, it's really hard to explain."

Di beiming gritted his teeth and endured.

Yun chujiu put the lotus root slices into her mouth and her eyes immediately lit up. Damn, the taste was really superb! No Wonder Water Mountain treated it as a treasure.

Yun Chujiu regretted it in her heart. If she had known earlier, she would have gotten all the rest! It was really a miscalculation! She could have stolen it again, but it was too troublesome and the risk was too great. If she was caught, it would not be worth it!

This guy ate half a plate of lotus root slices. When he saw di beiming sitting opposite him, he blinked his eyes, "Prince Charming, why are you sitting there?"

Di beiming subconsciously thought that Yun Chujiu wanted him to eat the lotus root slices. Just as he was about to say that he did not want to eat it, he heard Yun chujiu continue, "Come here! Massage my shoulders. My shoulders are sore from swimming yesterday.

This is all your fault. If you did not anger me, would I have gone to the back of the mountain? If I did not go to the back of the mountain, would I have been able to swim? Therefore, my sore shoulders are all your fault."

Di beiming silently recited tolerance and tolerance three times in his heart before he stopped himself from losing his temper.

Di beiming stood up and helped Yun chujia massage her shoulders. This fellow groaned comfortably a few times before he started to find fault, "Did you eat your breakfast for nothing? Can You Increase Your Strength?"

"Are you full? Be Gentle!"

Di beiming repeatedly prayed for tolerance and tolerance in his heart. Only then did he resist the urge to slap her away.

In short, a certain Jiu had been torturing di beiming in different ways throughout the day. Di beiming was almost torn apart.

At night, a certain jiu lay on the bed and said slyly, "Walk around the house for me. I want to admire and admire it."

Di beiming immediately decided to go to hell with tolerance and tolerance! He couldn't give her face just like that!

Di Beiming's face was gloomy as he said, "Little Jiu, I've tolerated you for a Day! Although we should be tolerant and tolerant between lovers, you shouldn't go too far. You're being evil!"

A certain Jiu was dumbfounded!

It was over. She was showing off! Extreme Joy gave birth to sorrow! She regretted it!

"That, that male god! I was joking with you!"

A certain Jiu, who was already furious to the point of no return, suddenly, HMM, a nosebleed came out..

A certain Jiu was shocked and quickly took a handkerchief to wipe di beiming. Then, she said fiercely, "Male god, it's all that damn gou Weiba's fault! !"

A certain Jiu's face turned red and she said angrily, "What nonsense are you talking about? ! This venerable self just, just recently ate a great tonic, so, that's why my nose is bleeding."

Yun chujiu pursed her lips. Liar! She didn't believe it!

With such an interlude, the relationship between the two of them finally returned to normal. Yes, that was the tone of Lackey Little Jiu and the arrogant certain jiu.

Of course, a certain Jiu was so regretful that her intestines were turning green!

If she had known this would happen, she would have taken it easy and acted like a demon no matter what! Sigh, she was usually quite smart, but why did she go astray when it came to gigolo matters?
