

## The Yun Family's Ninth Child is an Imp! Chapter 2769

After Yun Chujiu made the necessary arrangements, she opened the hole and climbed up with sticky silk.

The Silly Rabbit had been obediently guarding nearby. Yun chujiu was very satisfied and gave it some spirit fruits. Then, she cleaned up the traces on them and went straight to master Xiahou's courtyard.

If there was one person who was the least suspicious in the Shi Yuan sect, it would be Master Xiahou. Other than him, it was hard to say who was the spy of the Divine Devil Hall.

Therefore, Yun Chujiu still trusted Master Xiahou more, even though this old man Xia Hou was a little stingy.

When Master Xiahou heard that Yun Chujiu wanted to see him, he subconsciously did not want to see her. This little girl was like a weasel paying a new year's visit to a chicken. She must have no good intentions.

However, when he thought of Yun Chujiu's evil intentions, even if he did not want to see her, he would probably think of a way to let her see her. Therefore, he could only bite the bullet and let her in.

"Master, I haven't seen you for a few days. You look younger and younger!" Yun Chujiu said with a smile.

Master Xiahou scolded with a smile, "Don't give me that. What are you doing here? Did you get into trouble again?"

Yun chujiu looked aggrieved, "Master, I have been quietly thinking in the dormitory these days. I didn't do anything bad. I came here this time because I have something important to report to you."

Master Xiahou said indifferently, "Something important? What can you report to me?"

Yun chujiu blinked her eyes. "Master, is it safe here? Don't tell me there are spies?"

Master Xiahou became more serious when he saw Yun Chujiu's serious look, after opening the isolation array, he said, "There are people guarding my courtyard and I have opened the isolation array. Tell me, what is it?"

"Well, didn't the green jade lotus root of water mountain go missing a few days ago? Actually, it was me who did it!" Yun chujiu said weakly.

"What the hell? ! It was really you! I knew it, no one is so wicked except for you!" Master Xiahou slammed the table angrily.

Yun chujiu giggled, "Look at what you said, didn't I just eat a few lotus roots out of greed? Do you need to raise it to a personal attack? Wicked is too serious!"

Master Xiahou really wanted to kill her with a slap. Being immoral was not even enough to describe how bad she was! However, how did she do it?

Master Xiahou calmed his emotions and then asked, "The lotus pond on Water Mountain is tightly guarded. You didn't go to Water Mountain. How did you do it?"

Yun chujiu immediately straightened her back proudly. "Master, it's a long story. "Didn't I put myself in solitary confinement? I was so bored that I went to the back of the mountain and met a rabbit..."

Yun Chujiu told Master Xiahou everything that happened, except for Di beiming. She told Master Xiahou everything else.

Master Xiahou was stunned. There was an underground river under the murderous origin sect? Moreover, it was the lotus pond that led to the Water Mountain?

No wonder the water in the lotus pond didn't rise even though the immortal spring kept spurting out water. It turned out that the water kept seeping down.

They thought that the water had been absorbed by the Green Jade Lotus Root, so they didn't have any doubts.

Before Master Xiahou asked in detail., he heard Yun chujia continue, "Master, ever since I heard that the people of the Water Mountain were very angry because of the loss of the Green Jade Lotus Root, I decided to return the remaining Green Jade Lotus Root, so I went to the underground river again today."
