

## The Yun Family's Ninth Child is an Imp! Chapter 2781

The two of them looked at each other and said, "An Linchuan of Alkaid Peak."

"Shangguan Hao of Megrez Peak."

Yun chujiu nodded. "So it's senior brother An and senior brother Shangguan. Nice to meet you. How long have you two been here? Is it fun in here?"

An Linchuan and Shangguan Hao's eyes twitched. Fun? Was the Tranquil Heart Cave a fun place? Could it be that this yun chujiu was specially sent by the sect to temper their temperaments?

However.., shangguan hao still replied, "We've been here for nearly two months. This is a place to temper our temperaments. Naturally, there's nothing fun about it. Junior Sister Yun, we're going to meditate and cultivate. Please go ahead."

If an ordinary person heard this, they would immediately shut up. However, yun chujiu said, "Senior Brother Shangguan, what you said is wrong!"

Didn't you already say that? You are here to temper your minds. Since you are here to temper your minds, why are you all meditating and tempering your minds? If you want to meditate outside, you can meditate at any time. Why do you have to come here to meditate?"

An Linchuan and Shangguan Hao were confused by this guy's preposterous words. It made sense. It seemed like it was a waste for them to meditate in this cave of Tranquility. However, what else could they do without meditation?

They had memorized the proverbs on the wall thoroughly. As for the task of the test, it would only start at a fixed time. They really had nothing to do.

“Senior Brothers, let’s play cards!” “We have nothing to do. Let me tell you, this card game is also to temper our minds. Because we want to win without being arrogant or discouraged. If we can’t win, we can be smug, and if we can’t lose, we can’t be impatient,” Yun Chujiu said as she took out the self-made cards.

What nonsense!

An Linchuan and Shangguan Hao were dumbfounded. Why were they talking about how to temper their minds just now, and now they were talking about playing cards? It was the first time they heard that playing cards could temper one’s mind.

However, the two of them thought that Yun chujiu was most likely sent by the sect to temper them. How about playing a few rounds?

In addition, the two of them were indeed bored after being locked up here for more than two months, so they agreed after some hesitation.

Therefore, the three of them began to play cards..

On the other side, after the news of Yun Chujiu being locked up in the tranquil heart cave spread, a few restless people came to the meeting hall of Dubhe Peak to see Master Baili.

Of course, these restless people basically had connections with Yun Chujiu.

The first one to bear the brunt was mountain masster Zhuo of Tianji Peak. In another three months, another snow jade silkworm would be mating. If Yun Chujiu didn’t come out by then, what would happen to his snow jade silkworm?

Elder Jing was the second to arrive. His thoughts were completely different from mountain master Zhuo's. He wished that he could lock Yun chujiu up in the tranquil heart cave for a period of time so that she wouldn't come out to cause trouble.

As for the other five peak masters, they were here to watch the show. Although Yun Chujiu was a troublemaker, it had to be said that it was because she had returned that there would be a show every two to three days.

Seeing that everyone's focus was on Yun Chujiu, Master Baili explained the matter briefly, then, he said, "Mountain Masster Zhuo, you don't have to be anxious. If she doesn't come out in three months, we can discuss it then. "No matter what, let her stay in the tranquil heart cave for a period of time first to temper her temperament. Otherwise, I'm really afraid of repeating the same mistakes as the murderous Yuan sect!"
