

The Yun Family's Ninth Child is an Imp! Chapter 2790

Yun chujiu quickly took out her rolling pin and finally managed to protect herself for the time being.

She stole a glance and saw that Shangguan Hao and an Linchuan were much more relaxed than her. The swords in their hands flew up and down, protecting their bodies tightly.

This guy rolled his eyes. "Senior Brothers, come here! Come here quickly! Let's form a triangle. This way, we can save more than half of our strength and we can all pass!"

An Linchuan and Shangguan Hao were stunned. Damn it, compared to this little girl, they were like idiots! It had been more than two months, and the two of them had never thought of working together. Even if they were back-to-back, they could still save a lot of strength! They were so stupid!

The two of them didn't have time to think and quickly retreated to Yun Chujiu's side. The three of them formed a triangle, and the pressure was greatly reduced.

Moreover, Yun chujiu realized that there were more arrows flying towards her, so she changed her direction after a while. This way, she could take a breather while the arrows did not react.

There was a strange silence in the meeting hall again. They had imagined many scenarios, but they had never thought that this so-called perverted mission would be so easily solved by that little girl.

They had only guessed the beginning, but not the end. They felt as if they had suffered a 10,000-point critical hit!

Mountain master he laughed loudly. "Old Jing, how was it? You lost again, right? I advise you not to watch here, lest you end up being hit so hard that you want to hit the wall."

Elder Jing's face was gloomy. He took out his identity jade token and gave a few instructions to his disciples, then he said to mountain master he, "Humph! The second mission must be completed independently. They are cheating. I have already instructed them to declare the test invalid."

Mountain master he:" ..."

Good, very good. This old thing is getting more and more shameless!

Four hours later, just as an Linchuan was about to celebrate his victory., he heard the voice of the mission say, "This round of the mission must be completed independently. You were cheating just now, so your results will be canceled. Two hours later, the meditation mission two will be activated again."

An linchuan cursed angrily, "Damn it! Why didn't you say so earlier? ! Why did you wait until we were exhausted to say that you were just playing with us? !"

"There's no way to recover my strength in two hours. I'll just wait for those arrows to shoot at me later. Anyway, they're just illusions, so they only have a few red dots on my body."

Although Shangguan Hao was also quite depressed, he was obviously calmer. "Forget it. Anyway, we entered the cave of Tranquility to temper ourselves. It's okay to try a few more times."

Yun chujiu blinked her eyes. "Come, let's continue eating and replenish our strength." "I just found out that more than half of the arrows are aimed at me. You might be able to hold on for four hours in one go."

An Linchuan and Shangguan Hao did not pay much attention to it just now. Now that they heard what Yun Chujiu said, they realized that it was true. The two of them looked at Yun Chujiu sympathetically. No wonder there were so many missions today. It turned out that they were all aimed at her.

She had just entered the sect not long ago, but she had already attracted the wrath of the heavens and the resentment of the people. Junior Sister Little Jiu was really a talent!

An Linchuan laughed out loud. "Junior sister little ninth is right. I have to eat more and strive to complete the mission in one go later. Junior sister little ninth, you don't have to be anxious. There will always be a way out. Who knows, you might come up with some good ideas later."
