

The Yun Family's Ninth Child is an Imp! Chapter 2791

Yun chujiu actually had a way. In the past, she could command eight immortal swords at the same time. With the strengthening of her spiritual sense, it was not a problem for her to command twelve swords at the same time. She could completely protect herself.

However, she felt that it was best not to let others know about the abnormality of her spiritual sense, so she did not plan to expose it. Then, the problem came. She could not hold on for four hours with only the rolling pin, moreover, the mission given to her was an enhanced version.

Forget it, let's wait and see. There will always be a way.

The three of them continued to eat hotpot. An Linchuan saw that Yun chujiu did not eat much green jade prawns and green jade lotus root. He wondered if little ninth junior sister did not have much in total, so she could not bear to eat it and left it for him and senior brother Shangguan to eat?

An Linchuan was moved and said, "Little ninth junior sister, these Green Jade Lotus Root and green jade prawns are rare. Senior Brother Shangguan and I can taste them. You Eat Too!"

Yun chujiu said with disdain, "You guys can eat them. I thought they were quite delicious at the beginning, but I got tired of them after eating too much. Now I feel that they are not as delicious as the beef shabu!"

An Linchuan:" ..."can I feed the dog the feelings I felt just now?

After the three of them ate, half an hour later, the second meditation task began again.

An Linchuan and Shangguan Hao started to pull the arrows around them with all their might, intending to complete the task today.

As for Yun Chujiu, she sat on the small stool and set up a spiritual energy shield to protect herself. She held her chin and watched an Linchuan and the others busy themselves.

Everyone in the meeting hall was so angry that they were twitching. They were still waiting to see the little girl being shot into a hedgehog, but she was fine. Was she just throwing her life away? Did she not want to pass at all?

Not long after, the little girl's spiritual energy barrier turned red. Needless to say, it was the mark of an arrow. Yet, the little girl was still very leisurely.., she was holding a spiritual fruit in her hand as she chewed on it and cheered for an Linchuan and Shangguan Hao.

Elder Jing snorted coldly. "See that? Even if she has a belly full of bad water, there's nothing she can do. If she continues to be like this, she won't be able to come out for the rest of her life."

Mountain master he was unconvinced and shouted, "Tch! Maybe the little girl just ate too much and doesn't want to move. If she had no other choice, would she be so carefree? She must have a plan!"

Elder Jing was naturally unconvinced, so the two of them started arguing again.

Master Baili felt that a few more strands of his hair had turned white. weren't these two old geezers idle? The little girl didn't do anything, but the two of them started to fight!

Four hours passed in the blink of an eye. Because most of the arrows were desperately shooting at Yun Chujiu's spiritual energy shield, an Linchuan and Shangguan Hao successfully completed the mission. Both of them were extremely happy.

"Junior Sister Little Nine, it's all thanks to you! Otherwise, the two of us would still need at least a month to last four hours," an Linchuan said excitedly.

“Yes, thank you, little ninth junior sister.”. “Actually, this second stage is very difficult for US spirit cultivators, but it’s not worth mentioning when we encounter sword cultivators. Unfortunately, most of the people in our primordial chaos sect are spirit cultivators,”Shangguan Hao said casually.

Yun chujiu suddenly stood up from the small horse stance. “Senior brother Shangguan, what did you say?”

Shangguan Hao was shocked. What was wrong with this little ninth junior sister? !

However, he still explained, “I mean, if you are a sword cultivator, you can block these arrows with your sword Qi.”

“What if there is no sword Qi and sword will?”A certain JIU asked with slight excitement.
