

The Yun Family's Ninth Child is an Imp! Chapter 2794

Mountain master an's face flushed red. Even in his dreams, he had never thought that Yun chujiu would actually be able to release her sword intent. The matter was laid out here, and even if he wanted to deny it, he wouldn't be able to deny it.

Seeing that they didn't say anything, mountain master he became even more proud. "Come! Hurry up and transfer the spirit stones that you lost to me and Mountain Master Zhuo. If it were up to me, I'd say that mountain master Zhuo has a discerning eye, and shares the same thoughts as my hero, Haha!"

Mountain Master Zhuo was much more low-key than mountain master he. He deliberately changed the topic and said, "Everyone, what kind of sword intent do you think Yun Chujiu released? It seems to be quite different from what I've seen before."

Mountain master an snorted coldly. "That little girl is unreliable. The sword intent she released is naturally unreliable as well. Who cares what kind of sword intent she has? Old Jing, hurry up and get someone to activate the third calming heart mission. I'd like to see if she can still pass it."?

Elder Jing's expression became even uglier. He felt that he had lost all his face. Ever since he met Yun Chujiu, all his glory in the past had vanished into thin air.

Thus, he immediately took out his identity jade token and sent a message to his disciples, asking them to activate the third calming heart mission immediately after the second calming heart mission was completed.

An Linchuan and Shangguan Hao, who were inside the cave, only recovered from their shock at this moment. They looked at Yun Chujiu, who was waving her large kitchen knife with admiration.

At this moment, the ugly posture and the unrated name of the sword technique were not important anymore. The sword intent was more important!

Junior sister little jiu, a spirit cultivator, could actually comprehend the sword intent. What a magical existence!

When Yun Chujiu finished her mission, she saw an Linchuan and Shangguan Hao looking at her with admiration. The corner of Yun Chujiu's mouth twitched. What did they mean?

"Junior sister Xiao Jiu, I didn't expect you to really comprehend sword intent. You are too powerful!"
"Right, what sword intent did you comprehend?" "Is it the fast sword intent, the slow sword intent, or the water sword intent?" An Linchuan asked with admiration.

"My sword intent is special. Cough, cough, it's the chaotic sword intent." Yun chujiu laughed dryly.

An Linchuan: "..."

Shangguan Hao: "..."

Sword intent of Chaos? There was such a sword intent? But that was also true. The moves that junior sister little nine made just now seemed really messy!

But no matter what, the sword intent was awesome. Who cared about the sword intent!

When the two were about to ask in detail, they heard the voice of the mission, "The third meditation mission has been activated."

"F * ck! Are you trying to exhaust us to death?" An Linchuan said angrily.

Yun Chujiu's eyes flickered. Come on, let's finish these BULLSH * T missions as soon as possible so that she can go out. She still wanted to go to school and find a way to get struck by lightning. She didn't have

the time to waste in this meditation cave.

Yun Chujiu asked an linchuan curiously, "Senior brother An, what is the content of the third mission?"

An Linchuan said in a bad mood, "The third mission seems to be the easiest. Damn it, it's very abnormal!" "It is to walk from one end of the bridge to the other end within four hours. As long as you walk there, you will pass." "But, senior brother Shangguan and I can only walk to the middle of the bridge. We still can't reach the end."

"Then what is the reason? Is there an illusion array?" Yun chujiu asked in confusion.

"If there's only an illusory formation, it would be easier. Just Keep Your Mind Clear. The main reason is that there's a huge pressure that makes it impossible for you to keep your mind clear. You'll unknowingly fall into the illusory formation," an Linchuan said in annoyance.
