

The Yun Family's Ninth Child is an Imp! Chapter 2796

Yun chujiu laughed sinisterly, then squatted in front of Guai Cao.

“Gou Weiba, I didn't expect you to have such a day! Little Fellow, did you think that one day you would fall into my hands? HMM?” This fellow felt that di beiming's “HMM” was the most pretentious, so he borrowed it.

Guai Cao's leaves curled up into the shape of a heart, acting cute and begging for mercy.

“HMPH! Don't play this game with me! If not for you, I would have eaten all the pretty boys! If not for you, I would have raised a bunch of little monkeys with the pretty boys! I have to think about how to torture you to get rid of the hatred in my heart. Slash? Burn? Fry?”

Every Time Yun chujiu mentioned a method, guai Cao would tremble. In the end, the trembling was almost like a wave. Yun chujiu was extremely happy. This illusion was really good! Finally, she could teach Gou Weiba a good lesson!

Yun chujiu took out a large kitchen knife. She was eager to cut the guai Cao and dig out its roots. Then, the Guai Cao would die!

Yun chujiu raised her hand high. The leaves of the guai Cao formed the shape of a heart again. It trembled non-stop as if it was begging for mercy.

Yun Chujiu's hand could not go down no matter what. Although the guai Cao was detestable, it had accompanied her for a long time and helped her resolve the crisis countless times.

If she killed it just like that, she wouldn't be able to bear it. So, should she cut it or not?

Yun chujiu hesitated for a long time and finally withdrew her hand. Even though she knew that this was an illusion, she still couldn't bear to "Kill" the guai Cao like this.

The guai Cao seemed to have understood that the crisis had been resolved. It wagged its leaves proudly, just like how Gou Weiba used to show off.

Yun chujiu could not help but be angry and happy. She took out a brush from her storage ring and wrote words like "Gou weiba" and "Dregs grass" on the leaves of Gou Weiba.

Yun chujiu put the brush into her storage ring, then, she pointed at the strange grass and said, "Gou Weiba, although you have harmed me a few times, you have also saved me a few times. Let's call it even! "I hope that you will take care of yourself in the future. I hope that we will not really fight to the death in the future."

After saying that, Yun chujiu stood up and looked at the surrounding environment.

She felt that the environment here was somewhat familiar. The sky was low and heavy, as if she could get it with just a raise of her hand. There was no sun, no clouds, and other than rocks, there was only that Guai Cao.

Ah, I remember now!

The forbidden area of the temple of Immortals was also like this. It was said that Hun Dun was sealed inside. Could it be that this place was also an unopened land of Hun Dun?

Could it be that the guai Cao existed before Hun Dun was opened?

Yun chujiu shook her head. She was really confused! This was an illusion. It was nothing more than a figment of her imagination. It was likely that Zhang Guan and Dai Li had planted the guai Cao in the original land of Hun Dun.

Yun chujiu saw that there was nothing interesting here, so she used her spiritual sense to clear her mind.

The guy opened his eyes secretly. She saw that an Linchuan and Shangguan Hao were still on the bridge, so it was not good for him to continue walking, so she went to sleep on the bridge!

The meeting hall was in an uproar!

“Look! Is Yun Chujia Dead?” Mountain master an said in surprise. Although he didn’t like the little girl, he didn’t want to kill her. Why was she lying there?

“Could it be that the pressure was too strong and she died? Old Jing, you are going too far. Even though that little girl is unreliable, you can’t kill her!” Mountain Master Shen didn’t want to be an accomplice to murder, he hurriedly jumped out to blame elder Jing.
