

The Yun Family's Ninth Child is an Imp! Chapter 2797

Elder Jing was holding his breath. Who was supporting him just now? And now one or two of them were blaming him? Besides, although he had made some moves, he had only increased the pressure a little. How could he die?

Mountain master he raised his loud voice and said angrily, "Old Jing, I didn't expect that you would do anything to take revenge on that little girl. Why Don't you hurry up and ask your disciple to end the mission? "Maybe that little girl just fainted. Don't kill her!"

Elder Jing's heart was like a beeping dog. He had never heard of anyone who had experienced an illusory formation and played himself to death in such a short time. If this little girl died, he really wouldn't be able to defend himself.

Just as elder Jing was about to order his disciple to end the mission, the four-hour deadline arrived and the mission automatically ended.

An Linchuan and Shangguan Hao were stunned for a moment before they woke up from the illusion. The two of them looked at each other and couldn't help but smile bitterly. It still didn't work. It seemed that they still needed to train for a few more days.

An Linchuan turned his head and saw Yun chujie lying on the ground. The mission was over and the bridge was withdrawn. This fellow naturally lay on the ground.

An Linchuan was shocked. “Junior Sister Little Jiu! Junior Sister Little Jiu!”

Could it be that junior sister Xiaojiu had been killed by the pressure? ! That’s right, her spiritual power was only at the sixth layer of the Lingxuan realm, how could she withstand such a great pressure? !

At this moment, Yun Chujiu opened her eyes and sat up, then stretched. “Eh? It’s over? I saw a bed in the illusion just now, and I fell asleep while lying on it.”

An Linchuan:” ...”

Shangguan Hao:” ...”

There was such an illusion? ! How badly do you want to sleep? You can even fall asleep in the illusion? !

However, it was true. After such a torturous experience, it should be night time outside. It was indeed time to sleep.

The three of them briefly exchanged their experiences and then found a place to sleep.

An Linchuan and Shangguan Hao just laid on the ground. A certain jiu was much more complicated. This fellow took out a universal tent and went into it.

An Linchuan and Shangguan Hao glanced at each other speechlessly. This junior sister Jiu really knew how to enjoy herself! Eating Hotpot and living in a tent. She wasn't here to calm her mind, she was here to take a stroll!

At this moment, the atmosphere in the meeting hall was very subtle.

Mountain master an and mountain master Shen looked embarrassed. They had just accused elder Jing of causing the death of Yun Chujiu, but who would have thought that not only was the little girl not dead, she was also alive and kicking. It was really a little awkward.

Mountain master he had a carefree personality, but he didn't think much of it, he laughed and said, "That old jing, I wronged you just now! I didn't expect that nothing happened to that little girl. She probably slept in the illusion."

Elder Jing snorted. He wouldn't admit it. Seeing that Yun Chujiu wasn't dead, he also heaved a sigh of relief.

At this moment, mountain masster Zhuo said weakly, "Um, did you guys forget about a problem?"

The crowd looked at Mountain Master Zhuo in confusion. "What problem?"

"In an illusion, people will have changes in their expressions of joy, anger, sorrow, and joy. At most, they will have some minor body movements. I've never heard of anyone who can change from standing to lying down..." mountain master Zhuo stopped here, he believed that everyone understood his underlying meaning.

"You, you mean that she actually woke up from the illusion before she fell to the ground? And then deliberately lay there to sleep?" Mountain master he raised his voice and said.
