

The Yun Family's Ninth Child is an Imp! Chapter 2798

Mountain Master Zhuo nodded his head. "I think so. Besides, when she woke up just now, she didn't look lost at all. Instead, she seemed to have been woken up by an Linchuan."

"That's not right! Since she woke up, why didn't she walk to the end of the bridge to complete the mission? Instead, she took a nap?" Mountain master he asked in confusion.

For a moment, no one answered his question. They felt that they were all wrong!

They thought that little girl was a mischievous character, a troublemaker! They didn't expect that she actually knew how to hide her true strength. Putting aside the issue of her clear spiritual sense, just the fact that she could fall asleep under such a great pressure showed that she was completely unafraid of that pressure.

The reason why she slept was clearly because she did not intend to expose the fact that she was unafraid of pressure. They had really underestimated her.

Mountain master he slapped his thigh. "So the little girl is hiding her strength! But that's true. She has a heavenly thunder spirit root. is the pressure of heavenly thunder not greater than that of a human? She naturally has a stronger ability to resist pressure than an ordinary person."

Haha! "Old Jing, we won this round again! When the mission starts again, she'll definitely pass smoothly. I told you, I have a good eye..."

Mountain Master Zhuo looked at him speechlessly. Having such a pig teammate was actually quite tiring. Why are you bringing up the bet now? ! Aren't you urging elder Jing to increase the difficulty of the mission? !

Sure enough, elder Jing's expression changed a few times. He took out his identity jade token and said something, a faint trace of pride on his face.

They were also a little tired, so they all sat in meditation on the spot, waiting for the arrival of the next day..

The next day, Yun Chujiu and the others had just eaten breakfast, and the meditation mission was activated again.

Yun Chujiu had already thought it through. This time, she controlled her speed slightly, and when it was almost four hours, she would pass the mission. However, as soon as she stepped on the stone bridge, she felt as if ten thousand divine beasts had whizzed past her heart!

The pressure was indeed gone, but could anyone explain why her feet seemed to be stuck on the stone bridge and couldn't move at all?

Elder Jing, who was in the meeting hall, was very pleased with himself. Who would have thought that he had added a confinement formation on the stone bridge? Others must have thought that Yun chujiu couldn't move because she had fallen into an illusion, but in reality, she was confined there. hahaha! ! Let's see how that old he can still be proud of himself! ! HMPH!

Mountain master he exclaimed, "Eh? That's not right, why did she stop moving after just one step? She fell into an illusion so quickly? How is that possible?"

"How is that not possible? Although that little girl isn't afraid of pressure, she's full of tricks. It's normal for her to fall into an illusion early on," mountain master said from the side, he felt that he had lost some face yesterday, so he naturally vented his anger on Yun chujiu, who was "Playing dead".

Mountain master defended himself with a few words. His originally confident heart suddenly became uncertain. Could it be that this little girl really couldn't pass?

Yun chujiu couldn't move any part of her body except for her eyeballs. She was so depressed that she wanted to vomit blood. The person behind this mission was even more wicked than her! She could not move her body. Even if there was no pressure or illusion, she could not move even half a step!

Time passed quickly. In the blink of an eye, two hours had passed. An Linchuan and Shangguan Hao were still more than half of the stone bridge, trapped in the illusion.

As for a certain jiu, she still maintained the posture of taking the first step and stood there bitterly..
