

The Yun Family's Ninth Child is an Imp! Chapter 2800

Yun chujiu almost lost her breath!

“Xiao Hei, how dare you call me a weakling? Who’s more like a chicken? That’s why you’re the weakling! And you call yourself a Black Phoenix, Bah! You’re just a weakling! No, a fallen Phoenix is not as good as a chicken. You’re even worse than a weakling, you’re just a piece of trash!”

“You, you, this young master is obviously doing this for your own good. How Dare You Scold Me? Wa — wa, this young master will ignore you!” Xiao Heiniao’s pea-sized eyes were filled with anger. It was obvious that she was very angry.

Yun chujiu touched her nose guiltily and decided to let Xiao Heiniao calm down. Time would heal everything. Yes, that was it.

After a while, four hours had passed. An Linchuan and Shanguan Hao still failed the mission. However, the two of them were mentally prepared and did not care too much.

However, when the two learned that Yun Chujiu had actually completed the mission, they felt that their confidence, which they had always been proud of, had suffered a blow.

Although the little girl was a handyman and was only at the sixth level of the Lingxuan realm, she was not only smarter than them, but she could also release sword intent. Now, even her divine sense was clearer than theirs. It was really impossible to live!

Obviously, someone was even more miserable than them.

“Haha! Haha! How is it? Old Jing, even if you cheated, the little girl still easily completed the mission! Hurry up and transfer all the Spirit Stones to us. Right, Old Jing, why don’t you change the five missions to a hundred? Then, I’ll Be Rich! Hahaha!” Mountain master he felt really proud, they didn’t even know how to show off.

Elder Jing’s expression was so ugly that it almost turned into a purple eggplant. He gritted his teeth and said, “Cut the crap. Do you still want to bet on the fourth mission?”

“Yes! Not only in the fourth round, but also in the fifth round! I still want to bet that the little girl will pass the mission twice. This time, I’ll bet a million. Do you dare to follow? “Mountain Masster Zhuo, are you still on my side?” Mountain master he’s confidence was unprecedentedly strong, he felt that although this tranquil heart cave mission was difficult for others, it was a piece of cake for Yun Chujiu.

Mountain Masster Zhuo really wanted to pretend that he hadn’t heard anything. One million per round, two rounds would be two million. What if he were to lose? The further they went, the more difficult it became. No matter how perverse the little girl was, she couldn’t always be so smooth sailing, right?

Although Mountain Masster Zhuo was cursing in his heart, he still smiled and said, “Naturally, I still agree with mountain master he’s opinion.”

Elder Jing and the others were not willing to be outdone, so the bet was raised from 100,000 to 1,000,000.

Master Baili looked at the roof speechlessly. Why did he feel that this was not the primordial chaos sect but a casino? The people below were not the mountain master elders, but rather gamblers? How tiring!

At this moment, Yun Chujiu and the other two were chatting idly. Yun chujiu asked, "Senior brothers, what is the content of task four? Tell me about it first so that I can be mentally prepared."

An Linchuan showed a sympathetic expression. "Junior sister Xiao Jiu, actually, mission four is not too difficult for the two of us. We have already completed the mission long ago, but it seems to be a little difficult for you."

"What Mission?" Yun chujiu could not help but feel puzzled. Why was it even more difficult for her? Could it be that the mission was divided into men and women?

"The fourth round of the mission is to recite the proverbs on the wall. We also recited them for almost ten days before we managed to recite them all. You haven't had the chance to recite them yet, so I'm afraid that we won't be able to pass the fourth round of the mission for the time being," an Linchuan explained.

Yun Chujiu: "..."

Could she say that this was a bonus question?
