

The Yun Family's Ninth Child is an Imp! Chapter 2807

Although the little bastard didn't quite understand what Yun chujiu meant, it was certain that it couldn't leave the beautiful father. Thus, it clung tightly to Yun Chujiu's leg with its claws, as if it wouldn't let go.

Yun chujiu laughed dryly, "Master turtle, perhaps your son is a little reluctant to part with me. Why Don't you give us a ride? I'll try to persuade it."

The Savage dragon-headed turtle really wanted to kill the little girl who had kidnapped its son, but it was afraid that the little bastard would hate it because of this, so it could only reluctantly nod its head.

Yun Chujiu said a bunch of words of gratitude, then called out a big ship from her storage ring. The three of them boarded the big ship.

Originally, the Little Bastard was going to follow, but it was pressed onto the beach by the savage dragon-headed Turtle's Claw. Then, the savage dragon-headed turtle suddenly opened its mouth, a huge mist pushed Yun Chujiu and the others' big boat out.

Damn!

She didn't mean to send them off! This stupid big bastard!

Yun Chujiu wanted to cry, but no tears came out. The boat flew across the sea like a kite, and soon, the island turned into a Xiao Hei.

However, this also indirectly showed that the big bastard's strength was simply unfathomable. It could blow the huge boat out so far with just one mouth.

But no matter what, it had temporarily escaped disaster.

"Junior sister ninth, I've tried just now. The sound transmission talisman can't be sent out, and the other talismans can't be used. Moreover, we can't determine our current location,"Shangguan Hao said with a frown.

An Linchuan lay on the deck. "Who cares where it is! Let's take a rest first. Anyway, I've finally seen it. As long as junior sister ninth is here, we can turn misfortune into good luck and turn misfortune into good luck."

Yun Chujiu:"..."

This person was really superstitious and confident in her!

Shangguan Hao glared at an Linchuan and then asked Yun chujiu, "Junior Sister Xiaojiu, what should we do next?"

"You don't have to worry about food and drinks. I have plenty of them in my storage ring. Besides, we can also hunt. As for the direction of the voyage, the river usually flows from west to east. If we head west, we should be able to reach the coast,"Yun Chujiu said confidently.

Although this fellow was not that confident, her emotions could be contagious. If she slouched, an Linchuan and Shangguan Hao would also lose their confidence.

As expected, an Linchuan and Shangguan Hao calmed down when they saw Yun Chujiu's confidence. However., shangguan hao still said worriedly, "Junior Sister Jiu, what you said is easy. If we encounter a super high-level sea beast like the savage dragon-headed turtle again, I'm afraid we won't be able to escape death."

"Don't worry. The sea beasts all have their own territories. At least we'll be safe for a few days.". "We'll use these few days to study the countermeasures. There will always be a way. Are You Hungry?"? "Let's bathe in hot pot!"Yun Chujiu said with a smile.

An Linchuan, who was still dead, immediately jumped up. "Yes, yes. Let's eat first. There's always a way. Besides, there's junior sister Jiu. What are you afraid of? !"

Yun chujiu couldn't help but ask, "Senior brother An, may I ask why you are so confident in me?"

An Linchuan was amused. “Junior sister little nine, it’s because of your performance in Jingxin Cave. Also, you even fooled that Big Bastard. If you encounter other sea beasts, you can continue to fool him!”
