

The Yun Family's Ninth Child is an Imp! Chapter 281

After a long while, the two's french kissing finally came to an end.

Yun Chujiu got up and pretended to be calm. "Not bad! My Prince Charming, your kissing skills have improved vastly!"

Yun Chujiu did not wait for Di Beiming to react and hid her little head under the quilt. 'Damn, it was so embarrassing!'

From the corner of his eye, Di Beiming saw Yun Chujiu hiding under the blanket like a quail. He could not help but smile. 'This Black Thing actually knows how to be shy. How rare!'

The next morning, Di Beiming woke up early. He did not sleep well throughout the night. The scenes in his dream was really..

Di Beiming subconsciously raised his hand to move Yun Chujiu's arm from his chest. Then, he was stunned. 'I can move now?'

Di Beiming slightly raised his leg and turned his neck. He had really returned to normal!

At that moment, Yun Chujiu woke up.

Before she opened her eyes, she stretched her body and smiled widely at Di Beiming. "Prince Charming, good morning! Are you feeling better? Can you move now?"

Di Beiming's eyes flashed. "My neck is better, but I can't move the other parts yet!"

Yun Chujiu comforted him, "Prince Charming, illness comes like a landslide, and goes away slowly. Take your time, there's no rush."

Di Beiming nodded. His heart was deeply moved, and he asked in a deep voice, "Well, I hope so! If I'm really disabled, what will you do?"

Yun Chujiu was stunned at first, then she said indifferently, "It's okay! It's okay! If you're really disabled, I'll take care of you!"

Di Beiming's heart warmed up. 'Black Thing truly loved me deeply. Even if I'm crippled, she would not abandon me.'

"Anyway, it won't delay the birth of your child. When the time comes, I'll get your son to serve you! Then, I'll be able to go out and have fun! Hahaha! Oh yeah, you're crippled now. From now on, your storage ring belongs to me. I'll be in charge of finances!"

"Black Thing, just give up on that idea! Even if I'm crippled, I won't let you have the money to go out and show off!" Di Beiming was so angry that he almost choked!

Yun Chujiu pouted. "Look at how stingy you are! If you don't want to give it to me, then don't. I'll earn money and spend it myself! HMPH! I don't believe that with my heaven-defying alchemy talent, I won't be able to earn money in the future! Maybe in the future, you'll have to rely on me to support you!"

Di Beiming's eyes flashed, but he didn't say anything. 'HMPH, you black thing. Even if you earn money, I'll still think of a way to get all your Spirit Stones into my possession. Can't have people like you have money!

Seeing that Di Beiming did not say anything, Yun Chujiu thought that he had been convinced by her. She got down from the bed in a smugly. After washing up, she continued to provide him with her fee-based services.

She helped Di Beiming wipe his face, used mouthwash to freshen his mouth, then helped Di Beiming put on a coat.

Di Beiming was both joyous and in pain. Yesterday, he could not move and Yun Chujiu helped him with these things. He did not feel any different. However, now that he could move, it was really hard pretending to not be able to!

Yun Chujiu carried Di Beiming to the recliner in the courtyard and said sneakily, “Prince Charming, hurry up and prepare breakfast! I’m hungry!”

Di Beiming probably feigned a guilty conscience and did not argue with her about the cost of the meal. He took out their breakfast from his storage ring.

Yun Chujiu scooped a bowl of porridge for them. She ate a mouthful before feeding Di Beiming a mouthful. She did not feel that there was anything wrong with the two of them using the same spoon.

Di Beiming was secretly delighted. ‘I’m really too wise! If this venerable self did not continue feigning illness, how could the Black Thing take care of me so meticulously?! Besides, there isn’t any matters that needs to be taken care of for the next few weeks so I’ll just pretend to be sick for some time!’
