

The Yun Family's Ninth Child is an Imp! Chapter 2812

The sky-swallowing whale thought happily. It opened its mouth and waited for the three of them to come out and chew them into pieces.

“Big Fish, we are only 30 feet away from your mouth. You have to be careful! Don't Shut Up!” Yun Chujiu said as she crawled.

The sky-swallowing whale was proud. This human girl was really stupid. If they were to cut it down one by one, it really wouldn't have a good way to deal with them. At most, it would be rolling violently in the sea water, it tried to rush them into its stomach..,

but now, they had voluntarily sent themselves to their deaths. They were really courting death!

Just as the sky-devouring whale was thinking, it felt something rushing towards its mouth. It hurriedly clenched its teeth, and with a crack, it bit the big rock in its mouth!

Before it could react to what was going on, it felt an extremely itchy sensation in its nose. achoo! It sneezed several times!

Then, it saw three humans being sprayed out. The little girl even said with a smile, “Idiot, is the big rock delicious? !”

The sky-swallowing whale was so angry that it almost turned white!

This little girl did it on purpose! She did not intend to escape from its mouth in the first place. She had planned to escape from its nostrils. Damn it! Damn it!

The sky-swallowing whale chased after her in exasperation. It had never been played like this before. Today, it had to kill the three humans to appease its hatred.

“Junior Sister Xiaojiu, you are really smart! If we really came out from its mouth, we would definitely be dead!” An Linchuan said in admiration.

“I am not stupid. How could we really come out from its mouth? ! We had better think of a way to kill it. Otherwise, it would be really uncomfortable to be chased like this.” Yun Chujiu’s eyes flashed with a trace of sternness.

An Linchuan and Shangguan Hao felt that Yun Chujiu had gone crazy!

“Junior Sister Little Jiu, you don’t have a fever, right? That’s A level 45 sky-swallowing whale! Moreover, this is in the sea. How can we be its match? ! I still have a fire spirit root. I’m in the water. I’m just a good-for-nothing.” An Linchuan said in annoyance.

“We can’t fight it head-on. We can outsmart it.” “Senior brother An, since you’re so useless, you can be the bait!” “Senior brother Shangguan and I will be responsible for blinding the sky-swallowing whale’s eyes. Once it loses its eyes, the rest will be easy!” Yun Chujiu said.

An Linchuan was so angry that he almost vomited blood!

He already said that he was useless, but he still asked him to be the bait. wasn’t that asking him to die?

Yun chujiu stuffed a bunch of bottles and jars into an Linchuan’s hands. “It’s full of dyes. When it’s about to catch up to you, you’ll scatter the dyes. You’ll be responsible for running. You Don’t have to care about anything else.”

An Linchuan felt a little comforted. With these dyes, he would at least be able to buy some time, he asked worriedly, “Can the two of you really do it? Why Don’t we just run? With these dyes, we can at least hold on for a while.”

Yun chujiu shook her head. “It’s not a cure for the symptoms. The dyes will run out one day. “Besides, I’ve tasted the meat of the sky-swallowing whale just now. It’s very delicious. If we bring back such a big sky-swallowing whale, it’ll be enough for us to eat for a long time.”

An Linchuan:” ...”

I'm afraid that the last sentence is what you really want to say, right?

After the three of them finished dividing the work, when the sky-swallowing whale approached the three of them, an Linchuan threw out a jar of dye and shouted, "AH, help! That damn stupid fish is going to catch up with us! Run!"
