

## The Yun Family's Ninth Child is an Imp! Chapter 2829

When the maid with triangular eyes arrived at the gate of the temple of the priest, the guard did not stop her. She walked straight in. San Jiaoyan was the first to enter.

Not long after she entered, a few spirit butterflies and spirit bees flew into the courtyard of the temple of the priest.

A guard at the gate said, "Usually, there are no spirit butterflies and spirit bees. Why did I see so many of them flying into the courtyard today?"

The other guard curled his lips. "That Hong Mei is chief Li's lover. She must have been wearing some kind of perfume. That's why all these bees and butterflies are here."

"Speaking of which, recently, that Hong Mei was sent to serve the heavenly daughter. Chief Li must have been hungry and thirsty for a long time. Haha!"

..

A certain jiu on the other side heard the foul language of the two people through her spiritual sense. She was so disgusted that she almost vomited! However, her heart skipped a beat. She could roughly guess why the maid with triangular eyes had seen cotton and silk before, but not San Jiaoyan.

It was probably because the so-called boss Li had given her cotton and silk clothes in order to curry favor with her. This meant that the boss Li was either an outsider or had left chessboard island.

At this moment, the voice of a spirit bee was transmitted through her spiritual sense.

“Greetings, Lord Priest!”The maid with San Jiaoyan bowed respectfully.

“What did the heavenly daughter do today? Did she show any signs of escaping?”The priest’s voice was different from the pious one in front of Yun Chujiu. It was filled with coldness.

“The heavenly daughter was admiring the flowers in the back garden this morning. She picked a lot of flowers and brought them back to the house. “She wanted to catch some spirit butterflies on a whim. However, she was not satisfied after catching a few, so she gave up,”the maid with San Jiaoyan said with slight disdain.

“HMPH! She’s just a little girl! Keep an eye on her. After the coronation ceremony is over, I’ll directly host the sacrificial ceremony and kill her to worship the sea god.”

“Yes! Lord priest, what about the other two men?”

“HMPH! Didn’t that smelly girl say that they were her two husbands? Then kill the sea god along with her. You should go back first, in case anything goes wrong.”

“Yes!”

..

Yun Chujiu raised her eyebrows. Kill her to worship the Sea God? Hehe.

This guy was afraid that the spirit bees and spirit butterflies would be suspicious if they stayed in the priest temple for too long, so he ordered them to retreat. He also sent one of the spirit bees to continue to follow the triangular-eyed maid. San Jiaoyan didn’t go back to the priest temple directly.

The triangular-eyed maid didn’t go back to the fairy palace directly after she left the priest temple. Instead, she made a few turns and arrived at the entrance of a courtyard.

Soon, a man called out to San Jiaoyan and brought her into the house.

The Spirit Bee was very smart. It crawled through the door and began to broadcast something indescribable to San Jiaoyan.

A certain Jiu's heart was like ten thousand divine beasts whizzing past her as she listened to the vivid description of the spirit bee. Damn it, this spirit bee was actually a lecherous bee!

Finally, the live broadcast of the sex was over, and she heard San Jiaoyan's maid say sweetly, "Enemy, have you missed me these past few days?"

"Baby, I've missed you to death!" "If it wasn't for the High Priestess' orders, how could I bear for you to serve others?" "Did the high priestess say how to deal with that Heavenly Girl?" "Although that little girl's spiritual power is a little low, she's quite pretty. Otherwise, those lowly people wouldn't really think that she's a heavenly girl."

"You Damned Ghost! Don't tell me you are thinking about that little girl? ! Let me tell you, if you dare to let me down, I will tell the priest that you embezzled the spirit ore!" San Jiaoyan's maid said in a sharp voice.
