

The Yun Family's Ninth Child is an Imp! Chapter 2851

Yun chujiu found a favorable terrain and crossed her arms to watch the show.

An linchuan whispered, "Junior sister Xiao Jiu, aren't we going to help?"

Yun chujiu glanced at him and said, "I owe you! Did they ask you to help? Maybe they think you have other intentions! Anyway, it's just burning something, and it won't hurt anyone. We'll see."

An Linchuan:" ..."

Since when did he become the target of criticism? Why didn't junior sister Xiao Jiu attack senior brother Shangguan?

An Linchuan moved in front of Shangguan Hao and whispered his question. Shangguan Hao glanced at him and said faintly, "Because you owe me."

An Linchuan:" ..."

Oh My God, I can't play properly anymore! He wanted to return to the primordial chaos sect and stay away from these two bad guys!

While an Linchuan was playing around, the flaming seals had already gained the upper hand. Lie Yan and lie Yan were on the same side.

On one hand, the islanders on Coconut Island had to put out the fire, and on the other hand, they had to dodge the flaming seals' fireballs, so they were very passive. On the other hand, the flaming seals had thick skin, so even if they were attacked by the Islanders' spiritual power, it wouldn't be a big deal. Lie Yan and lie Yan were on the same side.

Lie Yan and lie Yan were so excited that they started to stack themselves on top of each other. This way, the fireballs that they spat out could go further.

Coincidentally, they had their eyes on Yun Chujiu and lie Yan who were watching the show. They thought to themselves, "Why do the other humans seem to have nothing to do with them when they are so nervous?" Lie Yan!

Therefore, the unlucky lie Yan and lie Yan started to shoot fireballs at Yun Chujiu and lie Yan.

Yun Chujiu's interest in watching the show was immediately interrupted by a few fireballs. She narrowed her eyes. She had wanted to see what would happen next, but she did not expect these flaming seals to be blind enough to provoke her. They were really looking for death! Lie Yan!

Yun chujiu took a few steps forward and pointed at the flaming seals with her finger and scolded, "Lie Yan! If you dare to provoke me again, I will destroy your nest!"

The flaming seals roared with disdain and disdain. No wonder this little human girl had been watching the show. It turned out that she was not smart enough!

Destroy their nest? Putting aside whether she, a weak chicken, would be eaten by them, she would not be able to pass through the boiling seawater around the heavenly fire alone. She really overestimated herself!

Therefore, they summoned the rest of their companions even more. A few of them stacked together and shot fireballs at Yun Chujiu.

An Linchuan and Shangguan Hao were about to counterattack, but Yun Chujiu signaled them to step back. Then, she waved her hand and released twenty cute piglets of spiritual power.

The flaming seals were stunned at first, then they roared even more ferociously. It was a joke to lie Yan! This weak human spiritual power beast was actually a piglet. Haha, it was really weak!

Not to mention the fire seals, even the people of the nearby Coconut Island were stunned! Lie Yan was stunned! Wasn't this island owner's guest too weak? Since he was so weak, why didn't he not come out and embarrass himself? Couldn't he just stay behind? He was really asking for it!

Lie Yan's spiritual piglet was quickly dispersed by the fireball. Just as the fire seals were running wild, the Purple Piglet jumped out!

Although the flaming seals were a little surprised, they didn't think much of it. Lie Yan's expression changed? Did he want to compete with them in beauty? Tsk! What's wrong with purple? They were still red. who was afraid of Who? !

Immediately after, the entire coconut island fell into a strange silence. The flaming seals that were stacked on top of Lie Yan fell into the sea..
