

## The Yun Family's Ninth Child is an Imp! Chapter 2862

After the succubus spat out the black mist, it was certain that Yun chujiu would be knocked out.

However, the smug look on its face quickly turned into surprise. "You, why aren't you afraid of My Succubus?"

Yun chujiu did not have the time to waste with it. She summoned a group of piglets with spiritual power and pounced on the succubus.

Like all unlucky people, the succubus ridiculed the piglets with spiritual power and then saw da Hua who was lazy.

The Succubus was dumbfounded. How could humans have such a strange spiritual beast? How could it become bigger after it manifested?

"Da Hua, Attack! Kill It!"

Yun Chujiu felt that her da Hua was invincible, so her face was full of confidence.

However, although the succubus was caught off guard at the beginning, it quickly gained the upper hand. Da Hua quickly disappeared after being entangled by the black fog.

“Humph! Little Girl, although your spiritual beast is somewhat special, in front of me, it’s just like a child playing house. You’d better obediently follow me to avoid suffering physical pain.”

Yun Chujiu did not expect that the invincible da Hua would actually be unable to withstand a single blow from the succubus. This fellow’s heart instantly lost its confidence. Although she had a large kitchen knife in her hand, it was clear that the large kitchen knife had yet to recover its true strength, it might not really be able to kill the so-called succubus.

Moreover, since the succubus had broken through the seal of the heavenly fire, it meant that its strength had recovered a lot.

The succubus rolled its eyes, and then a glimmer of light flashed in its eyes. Since the succubus was previously blocked by the heavenly fire, it meant that it was afraid of fire.

However, the small flame was only a cub. It had to find an opportunity to hit the succubus. It had to let down its guard first.

Therefore, Yun Chujiu took out a bunch of ice talismans and threw them at the succubus.

The succubus sneered, "You want to deal with me with such a low-level talisman? You're Dreaming!"

Yun chujiu was stunned to find that the ice talismans she threw were turned into dust by the black mist of the succubus. This succubus looked much more powerful than Xue Mo. it was really difficult to deal with.

Yun Chujiu threw out a bunch of explosive talismans, but they were still easily dissolved by the succubus.

The succubus laughed maniacally. "Darn girl, if you still have any tricks, just use them! An ant like you actually said that you killed the demon? It's simply a Fool's dream! I advise you to obediently follow me. In the future, when there is a day in the future, you will enjoy endless glory and wealth!

Moreover, I am a famous handsome man in the Devil World. Back then, the women in the devil world were all trying to curry favor with me. It is your honor that I have taken a fancy to you! Don't be unappreciative!"

Yun chujiu laughed so hard that she staggered back and forth. "Emma, I have seen shameless people, but I have never seen someone as shameless as you! You call yourself a handsome man with your ugly appearance?"

"However, when is the day you say that there will be such a day in the future? "Tell me, maybe you can convince me."

The succubus sneered. "Stupid girl! You still want to trick me? I was just careless just now! Since you're so stubborn, I can only use some tricks!"

As the succubus spoke, her eyes were full of light, emitting a bewitching light.

The remaining flaming seals could not help but swim towards the succubus. Lie Yan was no exception. She carried Yun chujiu on her back and moved towards the succubus with an infatuated look on her face.

Yun Chujiu's face also revealed an infatuated look. There were even two streams of unknown liquid flowing down from the corner of her mouth.

The succubus looked at a certain Jiu's infatuated look and instantly felt a little disgusted. What was wrong with her?
