

The Yun Family's Ninth Child is an Imp! Chapter 287

"It's very simple. We'll just bet on which of our two sects will have the highest points in the end! As for the stakes, a million low-grade Spirit Stones shouldn't be much. It's just to add to the fun!" Elder Zhang said, but a trace of cunningness flashed in his eyes.

Elder Xiao and Elder Qu exchanged glances. They had been forced to this point, so they naturally had to agree. Otherwise, they would think that Spirit Radiance Sect was afraid of the Heavenly Gates Sect!

"Alright! It's a deal! Then let's have your sect take out the Void Mirror Fragment as well! Let the disciples enter!" Elder Xiao said in a deep voice.

Elder Zhang nodded. Then, he and Elder Zheng from the Heavenly Gates Sect formed a seal at the same time. Then, they threw out a mirror fragment as well, and it floated in the air together with Spirit Radiance Sect's mirror fragment.

Elder Zhang and the disciples of the Heavenly Gates Sect exchanged a few words. The gist was similar to what Elder Xiao had said.

After the disciples of the two sects received the teleportation jade token, they disappeared after entering the mountain gate. They had already been randomly teleported to different areas.

Yun Chujiu had secretly planned to go in hand in hand with Yun Chusi and the others, so that they could stay together! The more people there were, the greater the strength. Even if they encountered powerful demonic beasts, they would not be afraid.

Moreover, when they rested at night, they could take turns to be on guard, which was beneficial to the preservation of their physical strength.

Yun Chujiu did not expect that this mysterious ancient land to have so many restrictions. For example, only those who were refining could enter, and that they would be teleported randomly, or that they were forbidden to fly or use any talismans in there...

Yun Chujiu could only secretly give each of them a few porcelain bottles. Then, she said, "There are hemostatic pills, fasting pills, and a few bottles of poisons with different effects. Keep them well! Remember! One must guard against others! Don't meddle in other people's business! Nothing is more important than one's life. When the situation gets bad, run away. If you really can't do it, break the jade token. Do you hear me?"

Although Yun Chusi and the others were older than Yun Chujiu, they all felt that they did not have as many ideas as her. They all listened carefully and expressed that they would definitely do as Yun Chujiu said.

Yun Chujiu mumbled to herself and instructed them on some other matters before she followed everyone into the mountain gate.

A dazzling white light flashed, and with a bang, Yun Chujiu was thrown to the ground.

Huh? Why did the place she teleported to looked so familiar?

Yun Chujiu rubbed her sore buttocks that were about to break into pieces. She stood up to take a look. F*ck, why was she not teleported in but bounced back instead?!

The elders of Spirit radiance Sect and the Heavenly Gates Sect were also dumbfounded!

What was going on?!

For thousands of years, they had never heard of any disciple being bounced back!

Even the disciples who did not meet the conditions only had jade tokens that did not react. Why was this little girl bounced back?

Yun Chujiu laughed dryly. "I reckon that the mystic realm took a nap just now. I'll try again."

Yun Chujiu carefully walked into the mountain gate again. Then, a white light flashed, and the miserable Yun Chujiu was once again thrown to the ground!

"F*ck! Are you done fooling around? I can forgive you for being careless after falling once. But you've done it again and again. Do you think I want to go in? F*ck, I'm not going in anymore!" Yun Chujiu pointed at the mountain gate and cursed.

Everyone was stunned!

From ancient times until now, no one had heard of anyone sitting on the ground, pointing at the ancient realm and cursing!! Moreover, this matter was too strange. Why did the mystery realm want to bounce this little girl out?!

The elders of the Spirit Radiance Sect thought of a question at the same time. Could it be that Yun Chujiu was rejected by the ancient realm because she had a heavenly Thunder Root Spirit and was not tolerated by the Heavens?

While everyone was still in a daze, a dazzling white light flashed. Yun Chujiu, who was on the ground, was sucked into the mountain gate by a suction and disappeared without a trace!
