

## The Yun Family's Ninth Child is an Imp! Chapter 2879

An Linchuan kicked the small stone on the ground and continued, "And I'm the son of the peak master of Alkaid Peak, so my every move is watched. If I do anything wrong, my father will punish me.

"So when I found this place, I felt that this was a compensation from God. This is a place where I can be myself."

Yun Chujiu was stunned. An Linchuan looked so heartless. She didn't expect him to have a sad childhood?

"Fortunately, I have this place to vent the depression and dissatisfaction in my heart. I didn't go crazy or become a puppet who only knows how to cultivate," an linchuan said self-deprecatingly.

"Junior sister Xiao Jiu, you are different to me," an Linchuan said and looked at Yun chujiu seriously.

Yun Chujiu's heart skipped a beat. It was over! Could it be that this guy was going to confess? Damn it, she was most afraid of her best friend suddenly confessing. If this happened, they wouldn't be able to be friends anymore.

Yun chujiu coughed twice, she quickly said, "Cough, cough!"! That senior brother An, although I'm devastatingly beautiful, talented, and outstanding, I already have someone I like. It's the one who saved us before, the one who was so arrogant..."

An Linchuan was dumbfounded. “Junior Sister Little Jiu, I want to say that you’re my best friend. Ah, sister, that’s not right either. In short, you’re my life-and-death friend. Did you misunderstand something just now?”

“Haha, I know. Emma, you’re Killing Me! “You don’t think that I like you, do you? “Why would I like a Crazy Girl like you who doesn’t have any feminine qualities?”

Yun Chujiu:” ...”

How embarrassing! She wanted to dig a hole and hide in it, but why did she break it?

However, this fellow had always been thick-skinned, and it was only a moment of awkwardness, then, he laughed and said, “That’s good, that’s good. I’ve always been attracted to peach blossoms, and every place I go, there are many suitors. I’m also preparing for a rainy day, so it’s good that I don’t like it. Otherwise, I’ll have to find an excuse to reject you. How troublesome.”

An Linchuan:” ...”

The two of them looked at each other awkwardly. After a moment of silence, they both laughed.

An Linchuan pointed at a few larger stones and said, "These are all my subjects. When I was young, every time my father scolded me, I would tell them things.

"Although they can't speak, they are the best listeners. They can also be said to be my friends. I still remember one time..."

Yun chujiu listened to an Linchuan's chattering and playing with a few small stones. Then, she said with a strange voice, "Senior brother An, these don't seem to be stones."

An Linchuan was complaining about his childhood trauma. When he heard Yun Chujiu's words, he was stunned for a moment. Then, he laughed so hard that he almost suffocated!

"Junior sister Xiao Jiu, are you still asleep? Don't tell me you don't recognize stones? What are these if not stones? !"

Yun chujiu glanced at him and then said faintly, "Bones."

An Linchuan almost sat down on the ground and stammered, "Junior sister Xiao Jiu, don't scare me! These are obviously stones, how can they be bones? How can there be bones that are as long as stones?"

“This is because it has been too long and has been weathered into stones. If you don’t believe me, look carefully, you can still see the traces of bone marrow on the bones.” Yun chujie picked up a stone for an lincuan to look at carefully.
