

The Yun Family's Ninth Child is an Imp! Chapter 2884

When everyone heard Shangguan Hao's words, they immediately became worried. However, no matter how much they thought about it, they could not understand why there was a washbasin here all of a sudden?

After speculating about it, they finally came to a conclusion. The two of them were probably too rushed when they were captured. They threw out something casually to remind them that it happened to be a washbasin.

However, the primordial chaos sect was heavily guarded. How could the two of them be captured? Where were they taken to?

Everyone searched for a while but did not find anything unusual. In the end, everyone focused their attention on the top of the sinkhole. Could it be that the person had left from above?

However, if the two of them were captured alive, it was impossible for them not to be discovered. Moreover, the top of the sinkhole was within the range of the mountain behind the Alkaid Peak. Even if the person was riding a sword, it was impossible for them not to be discovered.

No matter how hard they thought, they could not understand. They could only send people to search the sect and its surroundings. However, Yun Chujiu and an Linchuan seemed to have disappeared into thin air. There was not a single trace left behind.

At this moment, the two people who had been eloped felt as if they were in a world of ice and fire. A certain Jiu was in high spirits. She was so happy that she was dancing with joy. On the other hand, the miserable An Linchuan felt that he would only be able to live for another day if he was picked up.

The place where the two of them were at now was covered in fog, and there was no end to it. The ground was filled with rocks made from the bones of sea beasts, which were similar to the fish bones that the two of them had seen before.

An Linchuan sat on a large bone with his head drooping, he said with his head drooping, "Sigh! Junior sister Jiu, if I had known that the object of my childhood was a pile of bones, I wouldn't have brought you to that Crappy Cave.

"If we hadn't entered that Crappy Cave, we wouldn't have been trapped here. It's all my fault."

A certain Jiu said while nibbling on the spirit fruit, "Senior brother An, I think this place is pretty good. It's so quiet here! And no one dislikes me. It's much better than being in the primordial chaos sect!"

An Linchuan smiled, but his smile was even uglier than crying. "Little ninth junior sister, are you sure this place is quiet? It's over, it's over, here it comes again! Little ninth junior sister, quick, protect me!"

When an Linchuan first asked Yun Chujiu to protect him, he was still a little embarrassed. Now, it had become very easy to talk about it. F * ck, in order to survive, he should just let it go to hell!

The fog had begun to slowly disperse, and deafening voices came from all directions. “Have you thought it through? Are you loyal to your master?”

“Loyal to your grandmother my foot! Get Out of my way! Let us out of here quickly, or I will scold you eight times a Day!” Yun chujiu placed her hands on her hips and pointed at the sky while scolding.

“Impudent! You yellow-mouthed child, you speak insolently! You are courting death!”

Boom! Boom! Boom!

Several bolts of lightning struck at Yun Chujiu and an Linchuan. Hei Xinjiu was overjoyed and jumped up and down to get struck by the Lightning while protecting an Linchuan from being struck by the Heavenly Lightning.

An Linchuan supported himself with his spiritual energy shield. He looked at the busy Yun chujiu with a dumbfounded expression. He had known that this junior sister of his was sick, but he had never expected her to be so sick!

The more he was struck by the Lightning, the happier he became. If this wasn't sick, what was it? Even if it was a heavenly lightning spiritual root, it shouldn't be so sick, right?

Just as an Linchuan was in a daze, he heard Yun chujia say, "Xiao Hei, Xiao Mogu, I'll leave this idiot to you."

An Linchuan was still in a daze when he saw a fat bird and Xiao Mogu beside him.
