

## The Yun Family's Ninth Child is an Imp! Chapter 2886

"Senior brother An, I'm such a magnanimous person, I won't be angry with you. Come, let's eat barbecue," a certain Jiu said with a smile.

An Linchuan saw that Yun Chujiu had no way out, so he had no choice but to start barbecuing. No matter what, he had to eat first.

For a few days in a row, the two of them had the same pattern.

The voice that asked them to seek refuge with the Divine Devil Hall would ring twice a day, and after each time, there would be heavenly lightning striking down.

The heavenly lightning here was much stronger than the heavenly lightning that passed through the cave. A certain Jiu felt that this was an unexpected surprise, and it was the kind of surprise that could win a big prize for free.

In the blink of an eye, ten days had passed. Yun chujiu was stunned to find that the heavenly lightning seemed to be getting weaker and weaker. It couldn't be, right? She hadn't absorbed enough yet, and it was about to disappear? It was simply a defective product! Bad Review!

After another two days, the heavenly lightning was so weak that it could be ignored. Even an Linchuan didn't need to use his spiritual energy shield anymore.

After another two days, that voice still rang out as usual, but the heavenly lightning was completely gone.

Yun chujiu pointed at the top and scolded, "Are you planning to use words to threaten us? Hurry up and Hack Us! After a few more days, we might agree to pledge our loyalty to that dog SH \* t owner of yours!"

An Linchuan silently ridiculed from the side. You've absorbed all the Lightning from the other party, so why are you still hacking us? !

Yun Chujiu cursed for 13 times, but no more lightning came down. This guy said angrily, "Bah! You're so stingy. If you don't Hack Us, then forget it! If you don't Hack Us, then I'll have to think of a way to get out!"

An linchuan weakly said from the side, "Junior Sister Xiao Jiu, didn't you say that there's no way to get out?"

"I didn't have a way out when you asked me, but it doesn't mean that I have no way out. Come, let's walk around. There must be a way out,"Yun Chujiu said with a smile.

An Linchuan:" ..."

Why did he feel like he had been fooled?

However, they had walked a long distance these days, but they still hadn't found the border of this area. could little ninth junior sister find a way out?

"Senior brother An, do you know what the fastest way out of a secret realm or sealed area is?"

An Linchuan scratched his head. "Of course it's to crack the array formation. Can you crack the array formation here?"

"No," Yun Chujiu said matter-of-factly.

An Linchuan felt like he could not take it anymore. He glared at Yun Chujiu. "Since you can't do it, why are you asking me? ! Do You Have Another Way Out?"

"Of course I do. I want the weapon spirit here to let us out. It's the weapon spirit that had a friendly conversation with us twice a day," Yun Chujiu said with a cunning look in her eyes. "Qi Ling, do you have any other way to get out?"

An Linchuan's eyes twitched. Friendly Conversation? Are you sure?

Besides, since the weapon spirit had locked them up here, why would Qi Ling let them out? Could it be that junior sister Jiu had been struck by lightning?

After a while, when that voice sounded again, Yun Chujiu said with a frown, "Hey! Now that we have thought it through, we agree to be loyal to that dog of yours. Yes, your incomparably Awesome Master."

That voice was clearly a little confused. Previously, when it used the heavenly lightning to strike, this wretched girl did not agree. Now that it had struck the heavenly lightning, she actually agreed? There must be something fishy going on here!

"HMPH! You're lying to me. I don't believe it!" That voice said suspiciously.
