

The Yun Family's Ninth Child is an Imp! Chapter 2894

"Father, if you really want to send little ninth junior sister to the far west, then I'll go with you!"

Normally, if mountain master an said this, an Linchuan would not argue with him. However, today's matter involved his friend, so how could he be willing to retreat? !

When mountain master an heard an Linchuan say this, he became even more furious. "Bastard! Are you planning to rebel? If you dare to leave the courtyard without permission, I'll break your legs!"

An Linchuan's rebellious mentality, which had been suppressed for many years, finally exploded!

"If you're willing to hit me, then hit me! "Ever since I was young, you've either hit me or scolded me. If you're lazy in your cultivation, you hit me; if your cultivation speed can't compare to others, you hit me; if your words contradict you, you hit me; if your actions don't Suit Your Heart, you still hit me. Today, you might as well beat me to death so that I won't be an eyesore."

Mountain master an never thought that an Linchuan would actually talk back to him in public. He was so angry that he raised his hand and was about to beat him. An Linchuan closed his eyes and was already mentally prepared to be beaten up.

At this moment, a clear voice was heard, "Mountain master an, if you slap me like this, you'll regret it for the rest of your life!"

Mountain master an snorted coldly, “Yun Chujiu, shut up! What does it have to do with you that I’m disciplining my son? !”

“Mountain Master An, you’ve misunderstood my words. You hit and scolded senior brother an for his own good. Besides, being filial and filial means being obedient to your parents. If senior brother An doesn’t listen to you, he really deserves a beating,” Yun Chujiu said with a smile.

Mountain master an was stunned. Although this Yun chujiu was not in tune, her words still made sense. Thus, he did not stop her from continuing.

An Linchuan, on the other hand, was dumbfounded. was junior sister Little Jiu’s brain damaged? Was she trying to trick him? What did he do to offend her?

“Mountain Master An’s motive for wanting his son to become a dragon is naturally good. However, you can not recklessly interfere with his choice under the pretext of being good for senior brother An. He is your son, but he is also a person. He is an independent individual. On what basis does he have to listen to your arrangements?

It’s right for parents to care for their children, and it’s right for people to be filial. However, this isn’t a reason for you to control senior brother An’s life! Taking a step back, do you think you can control him for the rest of his life? Won’t he have to make his own way in the future? Moreover, is what you think right right?

Of course, I'm an outsider. I'm just saying. If you're willing to beat him up, beat him up. In any case, I won't be the one to suffer the consequences of father-son discord in the future. It's up to you."

After Yun Chujiu finished speaking, she hugged her shoulders and retreated to the side as if it had nothing to do with her.

An Linchuan's eyes reddened. Yes, this was what he was thinking. It was a pity that he didn't have the eloquence of junior sister Jiu. Although he felt aggrieved, he couldn't say it out loud.

He naturally understood that mountain master an was doing this for his own good, but he had his own thoughts. He really didn't like being manipulated by others in his life.

Mountain master an didn't speak for a long time. He looked at an Linchuan, whose eyes were red, and his heart felt like it was about to turn upside down. For a moment, his heart was in a mess. was he really wrong?

Yun chujiu blinked her eyes, straightened her back, and said, "Mountain master an, I was indeed reckless in today's matter. I'll go to the law enforcement office to receive my punishment now. Goodbye!"

After saying that, this guy ran away!

What a joke. If he didn't run now, would he be sent to the far west?

When mountain master an came back to his senses, hei xinjiu had already run away! As for whether this guy went to the law enforcement office or not, who knew!
