

## The Yun Family's Ninth Child is an Imp! Chapter 2906

Clap Clap! Clap Clap!

Yun chujiu clapped her hands a few times. "Senior brother Leng, what you said was really wonderful! Since you are so righteous, then let me ask you, why didn't you go to the front line? This is the pot calling the kettle black. What right do you have to criticize me?"

Leng Kui was almost suffocated by the rebuke!

"You, you are twisting logic! I am a disciple of the Shi Yuan sect, so I naturally have to listen to the sect's arrangements. If the sect agrees to let me go to the front line, I will definitely not refuse!"

"HMPH!" That's a nice way of putting it! You still listen to the sect's arrangements, I think you are just cowardly! Has the sect tied your legs or tied your waist? If you have the intention, you can definitely rush to the far west right now! Pui! You are just a coward who plays with your mouth! Coward! Coward!" Yun chujiu cursed with her hands on her waist.

How could Leng Kui endure this? ! He originally wanted to go to the far west, but it was Master Xiahou who forced him to stay in the origin-killing sect. Now that he was provoked by Yun Chujiu, he immediately felt hot-blooded. He gnashed his teeth and said,

"Good! Good! Get down there, and go to the origin-killing sect on your own. I will adjust the direction of the Flying Spirit Tool Now and rush to the far west to participate in the battle!"

“TSK tsk, who knows if you are hiding in a corner? I will go with you. I want to see if you are fooling me!” Yun Chujiu said with a cold smile.

Leng Kui was so angry that he was twitching. “Good! Good! Don’t regret it when the time comes!”

Leng Kui immediately changed the direction of the Flying Spirit Tool and went straight to the far west.

Yun chujiu was overjoyed. Done!

Not only did she successfully escape from the Hunyuan sect, but she also kidnapped a free follower. It was simply perfect!

Soon, three days passed. After Leng Kui calmed down, he realized that he had been goaded by Yun Chujiu.

The reason why Leng Kui thought so was that a certain Jiu’s leisurely expression did not look like she was supervising him at all. Instead, she looked like a petty person who had gotten what she wanted.

“Yun Chujiu, you, did you plan to use me to go to the far west from the beginning?” Leng Kui asked angrily.

“You figured it out in only three days? Aren’t you too stupid?” Yun Chujiu said with a smile while chewing on the spirit fruit.

“You, you are despicable!”

“Despicable? How Am I despicable? Did I force you with a knife or whip you? Besides, didn’t you want to go to the far west? We hit it off!”

Leng Kui was rendered speechless. He couldn’t say that he was impulsive before, but now he regretted it! It wasn’t that he was afraid of death, but that he had disobeyed master Xiahou’s orders and would be punished by the sect rules in the future.

Master Xiahou was probably too busy to think straight, so he had not summoned Leng Kui for the past few days. He still did not know that his disciple had been abducted by calamity nine to the far west.

Leng Kui glared fiercely at Yun Chujiu, then, he said, “Why do you have to go to the far west? You are not thinking of harming the Allied army, are you? I’m warning you. It’s fine if it’s just a small matter, but now is the moment of life and death for the immortal essence continent. If you continue to cause trouble, I’ll Kill You First!”

Yun chujia glanced at Leng Kui as if she was looking at an idiot. "Senior brother Leng Kui, is there something wrong with your brain? I'm not stupid. Why would I harm the Allied forces? If I want to harm them, I'll harm the Nightmare Race, alright?!"

"HMPH!" That's easy for you to say. Harm the Nightmare Race? "You piece of trash, you'll die in less than two days in the far west region. If I were you, I'd take a flying spirit tool and return to the primordial chaos sect right now to avoid harming others and myself," Leng Kui said disdainfully.
