

The Yun Family's Ninth Child is an Imp! Chapter 2913

Those who were usually jealous of Yun Chujiu suddenly began to make a ruckus:

“Leader, we have also seen it. It was this Leng Xiao Jiu who kicked Lin Gang and Zhao Qiang to the front of the iron pincers blue scorpion. She is the murderer.”

“Yes! Leader, you must punish the murderer severely. Otherwise, the souls of the two brothers in Heaven will not rest in peace.”

“Yes, leader, you must deal with them impartially. Otherwise, we will be disappointed!”

..

Zhao Zijing waited until the crowd's discussion quieted down before he snorted coldly. “Leng Xiaojiu, with so many witnesses, what else do you have to say?”?

Yun chujiu curled the corners of her lips. “I didn't expect so many people to have a problem with their eyes. When they see things, they can even pinch the head and cut the tail. How Amazing!”!

“Those two people wanted to secretly harm me, but they were too stupid. They used too much strength and didn’t kill me. Instead, they threw themselves in front of an iron-pincer blue scorpion and lost their lives. What does this have to do with me?”

“Moreover, I’m a trash of the sixth layer of the spiritual profound realm. Even if I wanted to kill them, I couldn’t kill them!”

“You, you, and you, since you said that I killed those two people, can you tell me in detail how a trash like me kicked them?”

“Also, I can swear to the heavens that if I tell a lie, I will be struck by lightning and die a horrible death. Do You Dare?”

The bearded man and the rest of the people opened their mouths and didn’t say a word. They were guilty, so how could they dare to swear? !

Zhao Zijing’s heart sank when he saw this. He was afraid that what Leng Xiaojiu said was true. He felt embarrassed. Just when he didn’t know how to go down the stairs, the bearded man said loudly,

“Leng xiaojiu, even if you didn’t do what Lin Gang and Zhao Qiang did, you didn’t use any of the explosive talismans you had when you fought with the iron pincers blue scorpion. “You are too selfish to travel with us!”

“Alliance leader, I request that Leng Xiaojiu and her brother be kicked out of our team. If you don’t agree, then I, Liu Zhuang, will leave the itinerant cultivator alliance and return to Mingsha City

“Yes! President, I agree with Liu Zhuang. If we don’t expel Leng Xiaojiu and the others, we will leave the Alliance!”

“And me!”

“And me!”

..

Yun Chujiu looked at the people who spoke coldly. Most of them were from the third team, and a small number of them were from the second team. Most of them were caused by the red-eyed disease.

Wasn’t it just because she got the job of the first team’s Cooks’ army? wasn’t it just because she had two thick piles of talismans in her hands? This red-eyed criminal really made people laugh!

However, it was also true that people were always jealous of people who were at the same level as them. When this person was much higher than them and they could not look up to him, they were not jealous, because they no longer had the courage to be jealous.

Leng Kui snorted coldly. “What you guys said is really nice. I didn’t see you guys use any talismans or spiritual weapons against the enemy. My Sister is only at the sixth layer of the Lingxuan realm. What’s wrong with keeping talismans to protect her life? !”

Those people were embarrassed by Leng Kui’s words. However, since they had already fallen out with each other, it was impossible for them to give up halfway. Therefore, they thickened their skin and ignored Leng Kui’s words, they continued to make a racket to force Zhao Zijing to kick Yun chujiu and Leng Kui out of the team.

The people from the first and second teams still didn’t say anything. Instead, Feng Zhi came out to plead for mercy:

“Alliance leader, Leng Xiao Jiu kept the talismans to protect her life because her spiritual power is low. This extreme west sand sea is extremely dangerous. If we chase them out, I’m afraid that they will be doomed! Please Think Twice!”
