

The Yun Family's Ninth Child is an Imp! Chapter 2921

Zhao Zijing felt like he was about to be roasted. He said in a threatening tone, "HMPH! You're trying to twist the truth! Why would these poisonous creatures retreat just because I committed suicide? !

"If they really retreat just because I committed suicide, why would I, Zhao, be stingy with my life?"
"HMPH!"

Yun chujiu curled her lips. "Isn't that simple? Why Don't you just ask these little things? Come, let me ask you. If president Zhao commits suicide, will you retreat just like that?"

Everyone was shocked to find that whether it was the sand sea poisonous bees or the red ants, after hearing Yun Chujiu's words, they made buzzing and rustling sounds, obviously echoing her words.

"President Zhao, did you hear that? Haven't you always claimed to be the most selfless and self-sacrificing person? Now That I'm giving you a chance to sacrifice yourself for Justice, you should commit suicide!" Yun Chujiu said with a cold smile.

Compared to those truly evil people, hypocrites like Zhao Zijing were even more detestable. They usually looked like righteous gentlemen, but in fact, their thoughts were the dirtiest, and they were even more sinister and ruthless when it came to harming others.

How could Zhao Zijing Bear to commit suicide? !

His face flushed red, and then he roared, "Everyone, it's very obvious now! These poisonous creatures were raised by this Leng Xiaojiu. Let's not hope that she can save us, let's Save Ourselves!"

Hearing his words, Yun chujiu laughed crisply. "Alliance Chief Zhao's brain isn't that good, right? Not to mention that I'm a trash at the sixth level of the Ling Xuan realm, even the mighty figures of the Hun Yuan sect and the Shi Yuan sect wouldn't be able to raise so many spiritual pets, right?"

In fact, this matter was very simple. Originally, everyone wanted to go to the front line to participate in the war, which was a great thing. However, some people wanted to gain benefits inside, and secretly did dirty things, which Tian Dao couldn't stand.

"Therefore, they sent these little things to warn you. Only Zhao Zijing, the main culprit, committed suicide. The crisis will naturally be resolved. Believe it or not, it's up to you."

After Yun Chujiu finished speaking, she took out a small pony from her storage ring and sat on it with a smile as she continued to Munch on melon seeds.

Zhao Zijing refuted a few words in exasperation. It was nothing more than saying that Yun Chujiu was spouting nonsense and that no one should believe her words.

However, in order to survive, no one would listen to his explanation. Some people said,

“Alliance leader Zhao, Leng Xiaojiu is right. Logically speaking, these poisonous creatures shouldn’t be gathered together. It’s obviously abnormal now. Perhaps it’s the punishment of Tian Dao. You’ve always been kind-hearted. Just kill yourself for us!”

“Yes, Alliance leader Zhao, sacrificing one of you to save all of us, just kill yourself!”

“Yes, we all agree. Alliance leader Zhao, just die in peace! We will definitely remember your great kindness.”

..

Zhao Zi’s face was livid with anger. He had selectively forgotten how he had used public opinion to force Feng Zhi and Yun Chujiu.

He tried his best to break free from the vines on his body. He had already thought about it. As long as he could successfully break free, he would take Yun Chujiu hostage. At that time, these people would change their faces.

Unfortunately, those black vines were especially fond of him. Even if he cut off a few of them, there was still a continuous stream of black vines winding around him. Moreover, there were countless red ants crawling on his body.

Yun chujiu took out a spirit fruit and took two bites, then, she said, "I believe that I don't need to say anything more. You guys have seen the true face of this Zhao Zijing, right? ! It's a waste of food for such a person to live. It's better to die."

Following Yun Chujiu's words, Zhao Zijing let out a scream. His body was covered with desert poisonous bees, and he died on the spot.
