

## The Yun Family's Ninth Child is an Imp! Chapter 2922

At this moment, the people of the unaffiliated cultivator alliance were finally certain that even if these poisonous creatures were not raised by this Leng Xiaojiu, they were definitely related to her.

Their little lives were now in her hands. If they wanted to live, they could only beg her to let them go.

“Leng Xiaojiu, no, Miss Xiaojiu, we were all deceived by that Zhao Zijing and Liu Zhuang in the past. Now, the culprit is already dead. Hurry up and let us go!”

“Yes, Miss Xiaojiu, we have no enmity with each other. Why do you have to kill us all? ! As long as you let us go, I will agree to any condition you ask.”

..

After eating the spirit fruit, Yun Chujiu threw the core behind her and stood up. “Let you go? And then let you kill us with enmity? Do you think I am such a stupid person?”?

“Don’t talk to me about logic. I’ve never studied before, so I can’t understand! “I’ve told you before, when you’re in trouble, don’t be thick-skinned and beg me. What did you say back then? “Now you regret it? “It’s Too Late!”

Feng Zhi saw that Zhao Zijing was dead, so he wanted to talk to these people, but when he heard Yun Chujiu's words, he immediately swallowed his words. Yes, these people were saying nice things now, so maybe they really let them go., they would turn hostile and kill the three of them mercilessly.

"Miss Little Jiu, no, great-aunt little jiu, we were wrong! We look down on others. Just treat us like farts!"

"Great-aunt little jiu, no, great-aunt little jiu, I beg you. I have a mother and children. If you kill me, they won't be able to live!"

"That's right, great-aunt little ninth, as long as you let us go, we'll be at your disposal in the future!"

..

Yun chujiu sighed, "Sigh!"! Alright, I'm the most soft-hearted person. After hearing what you guys said, I really can't bear to hear it. Although these little things aren't raised by me, I'm so good-looking. I should be able to help you guys talk some sense into them."

When the people from the unaffiliated cultivator alliance heard this, they almost vomited blood!

'are you soft-hearted'?' 'you only agreed to let them go when their lips were almost worn out. If you are soft-hearted, there will be no evil people in this world!'

Some people secretly made up their minds. No matter what, they had to get out of this first. When they found an opportunity, they would definitely tear this Leng Xiao Jiu and the other two people into pieces!

At this moment, Yun Chujiu said with a bright smile, "However, I'm a little narrow-minded. If I let you go just like that, what if you turn against me and refuse to acknowledge me?"

"How about this? Each of you will give me 100,000 spirit stones as a thank-you fee. It's not that I'm greedy, but it's to teach you a lesson so that you won't cause harm to others in the future.

"Then, make a poison vow that you will never harm me, my brother, Uncle Feng, and even our family and friends. You are not allowed to have any evil intentions. "If you break the vow, you will be struck by lightning and die a horrible death!"

Although everyone was fuming with anger, in order to survive, they still agreed.

However, some people thought that they could make up the numbers when they made the vow, so they only opened their mouths and didn't make a sound.

They thought that they could deceive the world, but they didn't expect that all the people who made up the numbers were poisoned to death by the desert wasps!

Those who survived didn't dare to resist anymore. This Leng Xiao Jiu wasn't human at all! She was a devil!
