

## The Yun Family's Ninth Child is an Imp! Chapter 2925

As the vast desert forbade flying and could not use talismans, the method of transmitting messages was very primitive, which was to rely on human strength or spirit beasts.

However, fortunately, the speed of the cultivators was not slow. In less than an hour, the disciple on duty who went to deliver the message came back, and he also brought an old acquaintance of Yun Chujiu — Mountain Master Zhuo of the primordial chaos sect.

The reason why the Allied army sent Mountain Master Zhuo over was that although the unaffiliated cultivator alliance was a newly emerged organization, it was still considered a medium-sized force. The Allied army still had to give some face to it, therefore, they sent mountain master Zhuo, who had a high status, to personally welcome him.

When Mountain Master Zhuo saw the leader of the unaffiliated cultivator alliance dressed in red, he was stunned. The leader of the unaffiliated cultivator alliance was actually a little girl? Only at the sixth level of the Ling Xuan Realm?

Mountain Master Zhuo thought of the name of the leader again. Leng Xiaojie? Could It Be Yun Chujiu, that troublemaker?

Mountain Master Zhuo shook his head when he thought of this. This should be just a coincidence! Not to mention that the troublemaker was still in the primordial chaos sect. Even if she really sneaked out, it was impossible for her to become the leader of the unaffiliated cultivator alliance!

Besides, although this Leng Xiaojiu's spiritual power was low, her entire person was fierce and fierce, like a sharp sword. Her temperament was completely different from that of the troublemaker. He must have been thinking too much!

However, which of the unaffiliated cultivators behind her did not have higher spiritual power than this little girl? Why would the unaffiliated cultivator alliance choose such a little girl to be the Alliance Master?

Although several thoughts flashed through Mountain Masster Zhuo's mind, he did not show it on his face at all. He politely cupped his hands towards Yun Chujiu and said, "Alliance Master Leng, it's a pleasure to meet you! Alliance Master Yan of the Alliance Army has ordered me to come and welcome everyone. Please come in."

Yun Chujiu was very proud in her heart. It was better for her to establish her own mountain. Otherwise, how could she receive such good treatment? !

This fellow changed his fake voice and exchanged a few words of courtesy before following mountain masster Zhuo inside.

When Mountain Masster Zhuo heard that Yun Chujiu's voice was completely different from Yun Chujiu's, he felt that he was thinking too much. It made sense. Although that little girl had a lot of bad intentions, it was impossible for her to subdue so many unaffiliated cultivators, moreover, the spiritual power of these unaffiliated cultivators was much higher than hers.

“Alliance leader Leng is truly a young hero. To become the alliance leader of the unaffiliated cultivator alliance at such a young age, it is truly admirable.” Mountain Master Zhuo said without batting an eyelid.

“Senior Zhuo, you flatter me! This junior only saved the former alliance leader of the unaffiliated cultivator alliance by chance. When the former alliance leader passed the position of Alliance leader to this junior on his deathbed, this junior could only thicken his skin and take over.” Yun Chujiu said courteously.

When those people from the unaffiliated cultivator alliance heard Yun Chujiu’s words, the corners of their eyes twitched. Are you sure you “Saved” the former alliance leader?

That Zhao Zijing was clearly killed because of you, right? !

Pass it to you?

You were clearly the one who shamelessly snatched the position of Alliance leader, Alright?

However, being thick-skinned was right. You were really shameless!

How could mountain master Zhuo know the twists and turns in this matter? Only then did his doubts disappear. He had said it before, how could the loose cultivator alliance allow a little girl to be the Alliance leader for no reason? It turned out to be a coincidence.

As they were moving forward, Mountain Master Zhuo occasionally caught a glimpse of the loose cultivator alliance's troops. They were all in unison and had a powerful aura. In his heart, he was very impressed with the short-lived former alliance leader.

To be able to train these unaffiliated soldiers to such a state, that former alliance leader was truly a talent in leading troops in battle. Unfortunately, he had already passed away and had no chance to meet him!
