

## The Yun Family's Ninth Child is an Imp! Chapter 2929

An Linchuan sized up Yun Chujiu at the thought of this and then widened his eyes. "Junior sister Xiao Jiu? You... how did you become the leader of the unaffiliated cultivator alliance?"

Yun Chujiu was secretly happy. This idiot was much better than those old fogeys. However, she didn't intend to admit it.

This idiot looked at an Linchuan with a puzzled look and then said, "Young hero an, although my name is indeed Leng Xiao Jiu, we aren't senior brothers and sisters, right?"

An Linchuan rubbed his eyes. Although Leng Xiaojiu was wearing a mask, he looked like junior sister Xiaojiu no matter how he looked at her. Was he really mistaken?

However, it was also true. Junior Sister Xiaojiu was fine in the primordial chaos sect. How could she come here and become the alliance leader of the unaffiliated cultivator alliance? He must be thinking too much!

Moreover, the voice didn't sound like it. It seemed that he had really mistaken her for someone else.

Shangguan Hao had the same question at the side, but in the end, he dispelled it. He felt that it was only because the two of them were around the same age, and they were both called Little Jiu. That was why he felt that they were similar. Yes, that must be the case.

An Linchuan and Shangguan Hao originally didn't have the slightest confidence in the so-called loose cultivator alliance. They felt that they were extremely unlucky! In the end, if the evil wind mouth fell, they would also have to bear the blame.

However, when they saw the loose cultivator alliance stationed outside, they immediately stopped looking down on them. These loose cultivators stood upright. In comparison, they felt that the people of the alliance looked like loose cultivators.

The people of the loose cultivator alliance were actually very conflicted in their hearts!

They originally hated the evil Hei Xinjiu to death. They were originally so free and unfettered! ! But ever since this black-hearted person had become the alliance leader, their good days had ended. Training them to stand in formation all day long, wasn't that crazy? !

Unfortunately, they had already sworn a poison oath and could only allow this black-hearted person to torment them. They were so miserable that they wanted to bang their heads against the wall!

However, when the people from the loose cultivator alliance saw the astonished gazes of the people from the Alliance army, a sense of pride suddenly rose in their hearts, and there was even a little bit of pride.

The vast majority of the people from the loose cultivator alliance had indeed come to fight against the Yan clan. Otherwise, they would not have gone through so much trouble to rush to the vast desert.

Therefore, at this moment, the resistance in their hearts towards Yun Chujiu had lessened by a lot. Perhaps this black-hearted little girl had done the right thing.

Yun chujiu walked in front of the people from the loose cultivator alliance, she said in a clear voice, “Just now, I made a military order in front of Alliance Master Yan of the Alliance Army. Our loose cultivator alliance is responsible for the defense of the Wind Gap. If the wind gap is lost, I will commit suicide in front of Alliance Master Yan.”

The people of the unaffiliated cultivator alliance were in an uproar. Was this black-hearted person crazy? So what if it was a defense? Why did she make a military order? Moreover, from what she said, the unaffiliated cultivator alliance wanted to defend alone?

Yun chujiu coughed and everyone immediately quieted down. No one dared to make a sound.

An Linchuan and Shangguan Hao looked at the side and were extremely surprised. Even Alliance Master Yan didn't have such strength in the Alliance Army. This Leng Xiaojiu had some skills.

“In addition, the windbreak is the most easy to attack and difficult to defend area in the defensive line. You must think that I'm asking for trouble, right?”

Yun chujia paused at this point and glanced at the crowd before continuing, "The reason why I picked the hardest bone is to prove that the people of the unaffiliated cultivator alliance are not inferior to the Alliance army!"

"The people of the Freelance Martial Artist Alliance are not trash, and we are not cowards! "Some of you are timid, and some are afraid of death. If you bring it up now, I will release you immediately! "Is There?"
