

The Yun Family's Ninth Child is an Imp! Chapter 2950

An Linchuan:" ..."

Shangguan Hao:" ..."

Little ninth junior sister was good in every way, but there seemed to be something wrong with her aesthetic standards. How could an unfashionable name like Leng Datu be considered a good name?

After an Linchuan came back to his senses, he hugged his stomach and laughed out loud. "That fellow Leng Kui used to be so arrogant. I didn't expect him to be called Leng Datu. Hahaha, I'm dying of Laughter!"

Although Shangguan Hao was not as exaggerated as an Linchuan, he was still laughing his head off. They were not on good terms with the murderous Yuan sect, so naturally, they were not on good terms with Leng Kui.

In the past, when they met, they often exchanged cold words with each other. They did not expect Leng Kui to be tricked by junior sister Jiu!

Just as the two of them were laughing their heads off, Leng Kui walked in from outside the tent.

An Linchuan held his stomach and pointed at Leng Kui, "Leng Dadi, Haha, Leng Dadi! You have such a day too. Hahaha, I'm so amused!"

Leng Kui came in to ask about Yun chujiu's yellow mud mound. When he heard an Linchuan's words, he immediately knew that his identity was exposed. He was angry and angry at the same time. He roared, "An Linchuan, shut up!"

"Okay, okay, I'll shut up. Deputy Chief of Leng Datu, Haha, Haha!" An Linchuan rolled on the ground with laughter.

Seeing that Leng Kui's hair was about to explode, Yun chujiu touched her nose guiltily. "Senior brother An, that's enough! I gave this name to senior brother Leng. Is it that funny?"

I think it's pretty good. Senior Brother Leng, don't be angry. Senior Brother an has a problem with his aesthetic judgment. Leng Datu is such a good name. Really, I think it's pretty good."

Leng Kui suddenly had something to vent his anger on. He gnashed his teeth and said, "Yun Chujiu, if you think Leng Datu's name is good, why did you name Yourself Leng Xiaojiu instead of Leng Xiaotu?"

Hei xinjiu coughed dryly. "She is a girl. How can she be called by such a vulgar name?"

Leng Kui: "..."

So he was a man, so he deserved to be called Leng Datu, a vulgar name?

Yun chujiu saw that Leng Kui was about to spit fire, she quickly smoothed her hair. "Senior brother Leng, don't be angry. Don't be angry! The name is a small matter. We have made a great contribution this time. Master Xiahou will definitely be proud of you when he hears this news.

When that time comes, who in the entire murderous origin sect will not praise you, senior brother Leng Kui? ! Leng Datu's name will also be a good story in the future!"

Hei Xinjiu's boisterous words finally extinguished Leng Kui's anger.

An Linchuan also felt that he had gone too far just now, so he quickly changed the topic. "Junior sister Xiao Jiu, what should we do next?"

"Young hero an, please address me as Chief Xiao Jiu in the future. After all, my identity can not be exposed for the time being. Besides, public affairs are public affairs, and private affairs are private affairs. I have always distinguished between public affairs and private affairs," Hei Xinjiu said pretentiously.

An Linchuan: "..."

Being pretentious was like being struck by lightning!

However, this fellow did not seem to be afraid of being struck by lightning!

"I think that actually, blindly defending won't solve the problem. It's best to take the initiative to attack and completely exterminate this group of scum from the nightmare clan or drive them back to the far west.

Unfortunately, although my prestige has increased a little, it's still not enough. Those Old Fogies won't listen to me, so we can't be too hasty in this matter. We still have to slowly accumulate prestige.

"Right now, I only have one wish, and that is that those scumbags from the nightmare clan better find something to do and let me torture them properly. That way, I can quickly build up some prestige."

Hei Xinjiu kept calling him 'me', and the corners of an Linchuan and the others' eyes twitched. This bad deed was perfectly explained, what was being smug! What was Shameless!
