

The Yun Family's Ninth Child is an Imp! Chapter 2953

In the meeting tent, besides Yun Chujiu's whimper of grievance, the rest of the people kept quiet.

Some of the generals at the checkpoint even felt that it was unforgivable to come here to complain. The little girl had racked her brains for their good, yet they came here to complain. It was really too wicked!

Alliance Master Yan's heart was like a dog that was bickering. Before you generals came here to complain, didn't you think about it carefully?

But now, after being kissed by this Leng Xiao Jiu, nothing happened. What did you want him, the Alliance Master of the Alliance Army, to say?

Previously, he still looked like he wanted to interrogate them. How was he going to end things now?

Jia Yuanchen, the general at the pass of Hua Ting Mountain, snorted coldly, "Even if what you said is right, then what do you say if you cheated us of Our Money?"

Hei xinjiu stomped her feet. "Oh my! The Conscience of Heaven and earth! was that cheating? Did I put a knife to your neck or beat you with a whip?"

“I only mentioned it unintentionally, but you insisted on making a bet with me. “I’ve already said that I won’t make a bet with you. You insisted on forcing me to make a bet with you, and then you lost. Are you blaming me?”

Jia Yuanchen suddenly stopped moving!

That’s right. Every time, it seemed that this bad boy really did not take the initiative to propose a bet. Every time, he was the one who proposed the bet, and this bad boy still tried to shirk it. Then, the question was, was he crazy at that time? Why did he have to bet with her?

Jia Yuanchen recalled the first time he made a bet:

A few days ago, Hei Xinjiu led the team to the pass of the Painted Hill.

Hei Xinjiu used the excuse of visiting Jia Yuanchen to enter the pass of the painting mountain. After seeing Jia Yuanchen, Hei Xinjiu proposed to go to the top of the mountain to have a look.

Jia Yuanchen initially rejected her verbally. Hei xinjiu said faintly, “General Jia, are you afraid that I will point out the flaws in your defense, so you don’t dare to let me go up to have a look?”

Jia Yuanchen was originally a hot-tempered and arrogant person. How could he withstand Yun Chujiu's provocation? He immediately led Hei Xinjiu to the top of the mountain.

"TSK, tsk. General Jia, I don't mean to criticize you, but setting up a defense is an art. You're still lacking!" Hei Xinjiu pouted and said.

Jia Yuanchen immediately widened his eyes. "What's wrong with my defense? If you don't understand, don't talk nonsense."

Hei Xinjiu shook her head. "Forget it. I'm just talking nonsense. Don't take it seriously. Anyway, I'll go back now. See You Later."

Jia Yuanchen was unwilling to give up. He blocked Yun Chujiu's way and said, "No, you must speak clearly today. Otherwise, I can't let you go."

"I was just joking. I didn't expect General Jia to be serious. It's not impossible to say it. But if I'm right, What Will General Jia Do?" Hei xinjiu forced herself to be calm.

Seeing this, Jia Yuanchen thought that Yun Chujiu was spouting nonsense, he immediately snorted, "Humph! I'll make a bet with you. If there's really something wrong with my defense, I'll give you 100,000 high-grade spirit stones. If you spout nonsense, you'll give me 100,000 high-grade spirit stones. Do You Dare?"

“This, this... isn’t a good bet? 100,000 spirit stones isn’t a small amount.”Hei Xinjiu’s eyes flickered as she said.

The more Hei Xinjiu said this, the more Jia Yuanchen felt that Yun Chujiu was guilty. Therefore, even though Yun Chujiu rejected him several times, Jia Yuanchen still refused to let her go. Therefore, yes, he was successfully cheated of 100,000 upper-grade spiritual stones.

The next day, when Hei Xinjiu came again, she did the same thing again. Jia Yuanchen thought of the spiritual stones he lost the day before, and he would be cheated again..

Seeing that no one moved, Yun Chujiu crossed her arms and said while shaking her feet,

“Well, since you have nothing to say, shouldn’t we talk about the various fees you owe me now?”

“We are all old acquaintances. I will give you a discount.”
