

## The Yun Family's Ninth Child is an Imp! Chapter 2959

Hearing Alliance Master Yan's words, Yun Chujiu gave a perfunctory bow and then turned around to leave the meeting tent.

Alliance Master Yan was so angry that he was about to explode!

If it weren't for the fact that the unaffiliated cultivator alliance didn't belong to the Alliance Army, he would definitely have dealt with that Leng Xiaojiu properly. Going back on his words and treating such a major matter like fighting against the Nightmare clan as a child's game was really too much!

The head of the fan family fanned the flames and said, "Alliance leader, I've said before that this Leng Xiao Jiu's background isn't right. Now that I look at it, he really doesn't have any sense of the big picture. Just because we didn't agree with her opinion, she's using this to blackmail us. She's really too arrogant!"

The others also echoed in succession. In the past, they thought that although this Leng Xiao Jiu was a little greedy, he wasn't bad. They didn't expect that he would actually cause such a ruckus now. It was really disappointing.

They did not know why the people of the freelance martial artist Alliance chose such a Ridiculous Alliance leader. It was really hard to understand.

After Yun Chujiu returned to the wind gap, she said angrily to the people of the freelance martial artist alliance, "The Alliance said that we are not a regular army. They said that our freelance martial artist Alliance is just a bunch of mobs.

"The moment we came, we asked them to guard the wind gap. This wind gap is easy to attack but hard to defend. They are bullying us because we are outsiders! "Hmph, I won't serve them anymore. Someone will come to replace us in a while. I'll bring you to drink and eat meat!"

Although the people from the loose cultivator alliance were angry, they felt that it was a little inappropriate to act so impulsively. After all, they had come to fight against the nightmare clan. Leaving just like that was a little too casual.

Unfortunately, no one dared to challenge Hei Xinjiu's authority. After the people sent by the Alliance army took over the windbreak, Hei Xinjiu led the people from the loose cultivator alliance and left the windbreak.

An Linchuan and Shangguan Hao were dumbfounded!

They were not from the alliance of itinerant cultivators, so where should they go now?

An Linchuan eagerly went to Yun Chujiu's side and asked in a low voice, "Little Jiu, Chief Leng, are you really going to leave the vast desert?"

Hei Xinjiu glared at him. "Who said that I'm going to leave the vast desert?"

An Linchuan was stunned. "Then, then where are you going?"

"Yuan Xi from Fang Dou Shan has lost the command to me. I'll bring you to Fang Dou Shan for a walk." Hei Xinjiu said with a smile.

Leng Kui snorted coldly. "What are you trying to do? ! Why are you going to Fang Dou Shan when you can't even keep your mouth shut? !"

"Vice Alliance leader Leng Datu, you'd better shut up. I have my own plans. Otherwise, your name will spread throughout the Alliance Army." Hei Xinjiu knew Leng Kui the best, as long as he could catch him, he would be obedient.

Sure enough, Leng Kui snorted and didn't say anything.

While Yuan Xi was inspecting the defenses on Fang Dou Shan., a subordinate rushed over. "General Yuan, Alliance leader Leng from the Alliance of non-affiliates has brought people from the alliance of non-affiliates to the foot of our mountain. She said, she said, she wants to take over Fang Dou Shan."

Yuan Xi: "..."

He had indeed lost the command of Fang Dou Shan to Leng Xiao Jiu, but he didn't take it seriously. After all, this command was given to him by the Alliance army, so it was impossible for him to really hand it over to her.

"Tell him that I don't have time to see her." Yuan Xi said that she couldn't afford to offend her and could hide.

The subordinate hesitated for a moment and then said, "General, Alliance leader Leng said that if you don't see her, she will go to the Miss of the Hunyuan sect to have a chat."

Hearing that, Yuan Xi immediately ran to the foot of the mountain to pick up Hei Xinjiu.
