

## The Yun Family's Ninth Child is an Imp! Chapter 2961

Hei Xinjiu rolled her eyes at Yuan Xi. "Believe it or not, if you don't, then forget it. I'll tell you the truth, I estimate that tonight, the Yan clan will use all their forces to launch a sneak attack on the Shaofeng port.

"Therefore, I suggested to Alliance Master Yan that all the passes of our alliance army should surround the Yan clan without anyone knowing. They will definitely be able to severely injure the Yan clan, but since Alliance Master Yan doesn't believe my words, I can only do it myself!"

Yuan Xi's heart sank. Was what Leng Xiaojiu said true? Did she really not have Alliance Master Yan's document? Was she lying to him?

Yuan Xi's head buzzed. If what Leng Xiaojiu said was true, then he had committed a grave crime!

"You, you, get out! Quickly take your people and leave Fang Dou mountain. I, Yuan Xi, will pretend that nothing happened," Yuan Xi said through gritted teeth.

"Have you heard of a saying? It's easy to invite the gods but difficult to send them off. We are already here. Do you want us to get out? "... No Way!"! "Besides, you have already made a mistake now. You can only atone for your sins by doing meritorious deeds. "Moreover, the young miss of the primordial chaos sect..."

"Shut up! What on earth do you want to do?" Yuan Xi wished he could strangle the little girl in front of him to death.

Yun chujju narrowed her eyes. "I'm thinking about how to get rid of those scum from the Yan clan. This is a once-in-a-lifetime opportunity. It would be a pity to miss it like this! "Moreover, once the Yan clan really takes down the malefic vent, the human race's defensive line will be completely defeated."

After a mental struggle, Yuan XI had no choice but to accept his fate!

He frowned and asked, "Your freelance martial artist alliance only has over 3,000 people, and our Fang Dou Shan only has 1,200 people. Our combined forces are probably only one-fifth of the nightmare clan's. What can we do?"?

"Why don't I send people to keep an eye on the situation at the windbreak? Once the nightmare clan launches an attack, we'll help the windbreak resist the nightmare clan. We should be able to wait for reinforcements to arrive."

Yun chujju shook her head. "You are talking about the worst case scenario. Moreover, Fang Dou Shan is too close to the windbreak. If the Yan clan can not take down the windbreak, it is very likely that they will move to Fang Dou Shan. At that time, we will have to take care of one thing and lose the other. The situation will be even worse."

Leng Kui could not hold it in any longer. "This won't do. That won't do either. What do you want to Do?"

Yun Chujiu's eyes flashed with coldness. "Kill!"

Everyone looked at each other. What did she mean by saying "Kill" without thinking?

Yun chujiu chimed in with her own thoughts. Everyone was instantly stunned. Could this work?

Everyone tried to persuade her, but unfortunately, hei xinjiu had already made up her mind. Everyone could only nod and agree.

After the sky had completely darkened, hei xinjiu led an linchuan, Shangguan Hao, and dozens of experts from the loose cultivator alliance down the rope to the side of the Fang Dou mountain near the Yan clan.

An Linchuan's little heart was beating non-stop. He felt that he was already bold enough. He didn't expect that junior sister little nine would be so bold as to come up with such a risky idea.

"Little Nine, Alliance chief, you, how confident are you?" An linchuan almost spilled the beans, so he had no choice but to change it to little nine.

"100%."

An Linchuan: "...you're strong!

However, hearing Yun chujiu say this, an Linchuan and Shangguan Hao felt much more at ease.

Everyone made their way to the Nightmare Race's encampment opposite Fang Dou mountain. Yun chujiu gestured to the back, and everyone understood. A portion of them went around to the other side of the encampment and deliberately made a ruckus.

Very soon, a nightmare race encampment shouted sternly, "Who's there?"
