

## The Yun Family's Ninth Child is an Imp! Chapter 2965

"Aiyo, why don't you listen to my advice? Alright, since you don't believe me, I have no choice. Then, let's start the battle! Do you want to fight alone or in a group?" Hei Xinjiu crossed her shoulders and pouted.

Ao Ji pointed at Yun Chujiu. "Let's fight alone! Today, I'll send you to hell!"

"I'm sorry. If you want to fight one-on-one, find someone else. I'm afraid of Death!"

After Hei Xinjiu said that, she slithered into the team of the Freelance Martial Artist Alliance.

Ao Ji: "..."

The Freelance Martial Artist Alliance: "..."

The Nightmare Race Army: "..."

It was the first time Ao Ji had encountered such a rogue enemy. He gritted his teeth in anger. "Go! Kill them all! Leave No one alive!"

The Nightmare Race Army thought to themselves that they should have done this a long time ago! Their crown prince seemed to have lost his mind. He had been flirting with that Leng Xiaojiu for almost fifteen minutes. This was a battlefield! A tiny bit of time could decide the outcome of the battle!

Before the Nightmare Race Army could charge forward, they heard Hei Xinjiu say in a clear voice, "My minions, the wind is strong, pull it!"

Then, the nightmare race army was stunned to see that the people of the loose cultivator alliance and their chief, Hei Xinjiu, had run away..

Ao Ji immediately recalled what had made him gnash his teeth the last time. This Leng Xiao Jiu was full of evil. Could it be that he had set up an ambush somewhere? !

Thus, Ao ji gritted his teeth. "Ignore them and continue to attack the storm vent."

"Your Highness, the garrison at the storm vent has suddenly increased by quite a number of people, but it shouldn't exceed five thousand people," Mo Luan reported.

Ao Ji's heart sank. Was it really like what Leng Xiaojiu had said, that the human race was preparing to surround and annihilate them? No, definitely not. That Leng Xiaojiu must be spouting nonsense and stalling for time! ! If the human race had been prepared, why would they wait until now? !

“Step up the offensive. We must take down the windbreaker at all costs!”

“Yes!”

Just as Ao Ji finished his instructions, Hei Xinjiu ran back with the Alliance of itinerant cultivators!

“Hey, Ao Ji, I’m not lying to you. The Human Army will be here soon. You’d better run with your men, or you’ll be dead for sure! You look like a dog. It would be a pity if you really died!

“You haven’t married yet, have you? “If you die, won’t there be no descendants? “Aiya, it’s very pitiful just thinking about it...”

Ao Ji gritted his teeth in anger. However, as soon as he led his men forward, Hei Xinjiu used the same trick and ran away again.

Ao Ji was in a dilemma. Let’s go after her. He was afraid that he would be ambushed by Hei Xinjiu. Let’s not go after her. This guy was too infuriating!

After struggling for a few times, many Allied troops suddenly appeared from the south and north. The number of people on the windscreen also increased abruptly and rushed down.

Ao Ji's head buzzed! Oh No! The humans actually knew about his plan.

At this moment, Hei Xinjiu returned once again, giggling happily!

"Hey! Ao Ji, didn't I tell you just now? The Allied troops are about to surround and annihilate you, but you refused to listen! There's really no other way!

"Of course, the reason why I flirted with you just now was to stall for time. Otherwise, our army wouldn't be able to make it here in time. Don't you think you're Stupid? "Hahaha!"

Ao Ji's eyes were as red as blood as he said word by word, "Leng Xiao Jiu, I won't forgive you! Just you wait!"

"Aiyo, who doesn't know how to Talk Big? ! I advise you to save your strength! You're going to die soon! How Pitiful!" Hei Xinjiu's smile was very bright.
