

The Yun Family's Ninth Child is an Imp! Chapter 2966

"Retreat!" Although Ao Ji wished he could cut Yun Chujiu into a thousand pieces, the most important thing now was to break out of the encirclement quickly. Otherwise, once the human race surrounded them, the nightmare race would definitely suffer heavy losses.

Yun Chujiu naturally would not let him escape so easily. She commanded the loose cultivator alliance to go forward and stop the Nightmare Race Army.

This fellow stood at the back and stretched her neck to command. She was very confident. As a waste of the sixth level of the Ling Xuan Realm, it was better for her to stand at the back and command. After all, everyone had higher spiritual power than her.

Soon, the Coalition army joined the battle, and both sides fell into a chaotic battle.

Ao Ji's regret could be imagined. Firstly, he regretted that he had not contacted the garrison troops at the other checkpoints and should not have launched an attack rashly.

Secondly, he should not have said so much nonsense to that Leng Xiao Jiu just now. If it were not for the fact that he had delayed her for a long time, they might have already taken over the storm vent by now.

The more Ao Ji thought about it, the more he hated Yun Chujiu to the bone. His malicious gaze was fixed on Hei Xinjiu who was standing on the mound, stretching her neck and shouting.

If it were not for this Leng Xiao Jiu, he could have taken over the yellow mud mound last time because of her!

Yun chujiu stood on the mound and felt a cold gaze. She fixed her eyes on it and bared her little white teeth. She liked the way she looked at Yun Chujiu and could not get rid of her. It was F * cking awesome!

Ao Ji saw Yun Chujiu's fearless look and felt even more hatred in his heart. He bit his index finger and formed a seal with his hands..

Mo Luan, who was beside Ao ji, saw this and exclaimed, "Your Highness! You, you stop! This is a forbidden spell of the Yan clan. If you use it, it will shorten your lifespan!"

Ao Ji's personality was aloof and prideful. He would not listen to his dissuasion and kept waving his hands.

Hei Xinjiu saw Ao Ji's actions from afar. Although she did not know what secret technique Ao Ji was using, she did not stop him from causing trouble.

"Who is that! Quick, stop that Fart Crown Prince!"

“All of you attack together. Don’t let him succeed!”

..

Some people from the loose cultivator alliance and the allied army heard Yun Chujiu’s shout and wanted to stop Ao ji. However, Ao Ji was surrounded by a large number of nightmare race members. They had no way of getting close to him.

A moment later, Ao Ji’s eyes turned bright red like blood, and his long black hair instantly turned silver. His entire person was indescribably demonic.

Yun Chujiu’s heart jumped, and her scalp went slightly numb. This was a sign of danger.

However, she felt that Ao ji was thousands of feet away from her, so he should not be able to do anything to her. Thus, she only increased her vigilance and did not retreat.

At this moment, Ao Ji’s figure turned into a phantom like a ghost. In the blink of an eye, he appeared behind Yun Chujiu and knocked her out with a hand knife.

Before Hei Xinjiu fainted, she only had time to think of one sentence. F * ck, this is too much!

“Stop, or I’ll kill Leng Xiaojiu!” Ao Ji said darkly while grabbing Yun Chujiu’s neck.

The people on the battlefield suddenly stopped moving.

The people of the unaffiliated cultivator alliance were stunned when they saw their black-hearted alliance master fall into Ao Ji’s hands! They were quite conflicted.

Logically speaking, they were all forced by Yun Chujiu, but after spending time together, they felt that it was not bad to follow this black-hearted alliance master.

After a moment of hesitation, most of the people of the unaffiliated cultivator alliance shouted, “Let Our Alliance Master Go!”

Alliance Master Yan had also arrived at this moment. Seeing the situation, he quickly said, “Let Leng Xiao Jiu go. We have something to discuss.”
