

The Yun Family's Ninth Child is an Imp! Chapter 2967

"Ask your people to make way and let our Yan clan's people pass. Otherwise, you'll have to wait to collect Leng Xiaojiu's corpse!" Ao Ji said coldly.

Alliance Master Yan hesitated!

This was a great opportunity to annihilate the Yan clan. If they let the Tiger return to the mountain, they would have to ascend to the heavens if they wanted to severely wound the Yan clan.

However, putting aside the fact that Leng Xiaojiu was the one who came up with this plan, just her identity as the alliance master of the unaffiliated cultivator alliance could not be ignored by him. What should he do?

The head of the fan family rolled his eyes, stepped forward and said, "Alliance leader, there is no need to care about trivialities in the face of righteousness. Sacrificing Leng Xiaojiu alone can save the entire immortal essence continent. Her death is worthy of the name!"

"Bullsh * T! Junior Sister Xiaojiu has worked so hard for the immortal essence continent, yet you still want to sacrifice her? Have you fed your conscience to the dogs? ! Are you holding a grudge against junior sister Xiaojiu because your son and grandson have defected ? ! You Old Fart!" An Linchuan was so angry that he stomped his feet and cursed, he had also forgotten to cover up Yun Chujiu's identity.

However, everyone didn't have the time to think about it. After all, Leng Xiao Jiu was Xiao Jiu.

The fan family's Patriarch's old face turned red from an Linchuan's scolding. He was so angry that he was trembling. "How dare you! Even your father can't talk to Me Like That! I'm doing this for the people of the immortal Yuan continent. I have a clear conscience!"

Mountain Masster Zhuo quickly reprimanded an linchuan, telling him not to act rashly.

An Linchuan was so anxious that he was about to cry. "Mountain Masster Zhuo, Leng Xiaojiu is junior sister Xiaojiu! Please save her!"

"What? ! Leng Xiaojiu is Yun Chujiu?" Mountain Masster Zhuo and the others said in surprise.

"It's true!"! Junior Sister Xiaojiu could have stayed safely in the chaos origin sect. Why did she risk her life to come here? Wasn't it because of the Immortal Yuan continent? Wasn't it because of revenge for her fellow disciples of the Primordial Chaos sect and the killing Yuan sect? "Now that she's been captured, you can't just leave her to die!" An Linchuan said with a sobbing tone.

He understood in his heart that the reason why Yun Chujiu took the risk to come here was not only because of the above reasons, but also because little ninth junior sister was worried about his and Shangguan Hao's safety. Otherwise, she wouldn't have specially transferred them to her side.

Although the people of the primordial chaos sect and the murderous origin sect were a little surprised, they were not too surprised. After all, this Leng Xiaojiu's style of doing things was too similar to Yun Chujiu's bad news bag!

The primordial chaos sect and the murderous origin sect occupied more than half of the Allied forces. Immediately, everyone's stance became clear. Yun chujiu must be saved!

People's hearts were biased. Compared to an unfamiliar Leng Xiaojiu and a disciple of their own sect, the status of a disciple was naturally higher, even if that disciple was a bad news bag.

The fan family head was so angry that his old face was twisted. So it was that Troublemaker Yun Chujiu! No wonder she had been targeting the fan family. It was really detestable!

However, even though he wished that Yun Chujiu would be killed by Ao ji, he did not dare to risk offending the primordial chaos sect and the murderous sect, so he could only remain silent.

Alliance Master Yan had a good impression of Yun Chujiu. Now that the primordial chaos sect and the murderous sect had made their stance clear, he took the opportunity to say to Ao ji, "I can let you go, but we have to ensure Yun Chujiu's safety!"

Ao Ji had heard the conversation of the human race clearly. So this stinky girl was Yun Chujiu? No wonder he was fooled!

Ao ji sneered, "Now the initiative is in my hands. Cut the crap. If you don't want her to die, quickly move aside."

Alliance Master Yan gritted his teeth. Just as he was about to let everyone move aside, he heard Ao ji groan. Then, the little girl who had fainted entered a, uh, huge bastard shell..
