

The Yun Family's Ninth Child is an Imp! Chapter 2975

The princess pouted. "What happened? Did Leng Xiaojiu Run Away?"

"The Nightmare Beast suddenly went into a riot. She might have escaped during the chaos," Yun Chujiu lowered her head and said respectfully.

"Without the crown prince, these people can't do anything. They can't even take care of an ugly human. What a waste!" The princess said disdainfully.

Yun chujiu naturally couldn't say anything. She lowered her head and pretended to be obedient.

"I heard that Leng Xiaojiu's real name is Yun Chujiu. I heard that she is the number one enemy of the Divine Devil Hall, is that right?" The princess asked.

"I heard that's the case. The people of the human race said that Leng Xiaojiu is Yun Chujiu." Yun chujiu felt awkward in her heart. No matter who had the name of killing her and said her name, it would be awkward, okay? !

"Humph! The Divine Devil Temple boasts that they are powerful, but they can't even take care of an ugly human. I think they are just bragging." The princess said disdainfully.

Yun Chujiu's heart moved. The nightmare race was a fence-sitter, so they were on the side of the demons. Could it be that they were really related to the divine devil temple when they came out to stir up trouble this time?

At this time, the Nightmare Beast had already returned to normal. In addition, Ao Ji had returned, and order had been restored in the base. However, Ao Ji was furious and said that he would find Yun chujiu even if he had to dig three feet into the ground.

"Brother crown prince, calm down first. That Leng Xiao Jiu won't be able to run far. I'm sure you can catch her. Besides, if you can catch her once, you can catch her a second time. You'll catch her sooner or later."

"Pianpian, you've had a tough journey. Go and settle down first. You've seen the Nightmare clan base. If there's nothing else, you can go back tomorrow!" Ao Ji said coldly, then, he turned around and led his men to search for Yun Chujiu.

The princess stomped her feet unwillingly and glared at Yun Chujiu who was pretending to be obedient. "It's all your fault! If it wasn't for the strong scent of incense on your body, why would brother crown prince be in such a hurry to leave? ! Hurry up and get rid of the scent on your body!"

Yun Chujiu:" ..."

You F * cking can't seduce a man and you're blaming me? ! Pui! Shameless!

Yun Chujiu felt stifled. Up until now, she only knew that this little b * Tch was a princess. She seemed to be called something Pian Pian, and she was in love with Ao Ji. She did not know anything else.

It would be fine for a short period of time, but after a long time, she would definitely be exposed! Moreover, she would not release her nightmare aura. Sooner or later, she would be exposed.

Forget it, it was better to pass this round first. It seemed that this princess Pian Pian would not stay here for long. When she left, she would think of a way to follow her, and then she would think of a way to escape on the way.

Princess Pian Pian's tent was built very quickly. Yun Chujiu helped her wash up again. Only then did Princess Pian Pian Rest.

As for the freshly-made Xiao Jiu, since she was a personal maid, she had to stay in the tent to watch the night.

This guy wanted to take advantage of Princess Pian Pian's deep sleep to kidnap her, but when he saw the guards outside the tent, he gave up.

She was alone now and could not be rash. She had to hit her with one strike, or she would really die.

Early the next morning, Yun Chujiu served Princess Pian Pian again. Princess Pian Pian glanced at her. “There are very few people in our nightmare clan who look as ugly as you. You Can’t be that Yun Chujiu, right?”

Yun Chujiu’s heart tightened. She clenched her hands tightly under her sleeves. Just as she was about to attack, she heard Princess Pian Pian Twitch her lips and say,

“Alright, I’m just saying! If you were Yun Chujiu, it would be a miracle! However, your appearance is really quite ugly. It just so happens that you can complement my beauty.”
