

The Yun Family's Ninth Child is an Imp! Chapter 2976

Yun chujiu heaved a sigh of relief in her heart. Damn it, she had thought that this little B * Tch had recognized her, but it turned out that she was just spouting nonsense.

No wonder she insisted on letting her be her maid. It turned out that her appearance after the disguise was ordinary. What a dog!

“Let’s go. You accompany me to the Crown Prince’s brother’s place. I want to have breakfast with him.”

Although Yun Chujiu was unwilling to go, she could only follow behind Princess Pian Pian. This fellow had already thought it through. If Ao Ji recognized her, she would kidnap Princess Pian Pian and drag her down with her even before she died.

However, Yun Chujiu was obviously overthinking!

Ao Ji did not even look at her. However, it was also true. Even in his dreams, ao Ji did not expect Yun chujiu to be so bold as to flash in front of him.

Princess Pian Pian had set up an exquisite breakfast, fawning over Ao ji like a lapdog.

Of course, the last sentence was Hei Xinjiu's inner line. She now had a lot of resentment towards Princess Pian Pian. If it were not for her, Hei Xinjiu would have long run away.

However, this fellow's thoughts quickly shifted to the breakfast on the table.

Oh My, I did not expect the Yan clan to be so detestable. Their food looked quite delicious. It could be said that it had all the looks, fragrance, and taste.

This fellow had been planning to escape last night, so she didn't eat much. Now that she smelled the fragrance of the food, she suddenly felt extremely hungry.

Unfortunately, she was only a servant now. She could only go to eat after her master finished eating. No matter how hungry she was, she had to endure it.

Gulp! Gulp!

Ao Ji frowned. What was that sound?

Yun Chujiu wished she could find a hole to hide in. What did it mean when she couldn't even swallow a mouthful of cold water? She was the one! ! Why was her broken stomach screaming? ! It really killed her!

Princess Pian Pian giggled. "Brother Crown Prince, so it was my maid who made the noise. It's rude to be unpresentable. I'll kill her now so as not to affect your appetite."

Yun Chujiu:"..."

Was this Bullsh * t princess the long-lost sister of a Gigolo? ! Why did she kill people at the slightest disagreement? Is she crazy? ! !

Ao Ji raised his head and glanced at Yun chujiu in the corner, frowning. "I remember you didn't bring a maid here. Who Is She?"

"Isn't she the soldier who sprinkled the powder yesterday? ! I had no one to use, so I made her my maid. I even changed her a good name to kill little jiu,"Princess Pian Pian said, she covered her mouth and laughed again.

Hei Xinjiu heard this laughter like an Old Hen's cry. It was over, it was over. If Ao Ji asked her her original name and checked the roster, she would be finished!

Hei xinjiu estimated the distance between her and Princess Pian Pian. It was too far, there was no way to succeed. If it really didn't work, she would have to force her way out..

Unexpectedly, Ao Ji was probably just asking casually. He glanced at her and then looked away. He said to princess pian pian, "Pian Pian, you're messing around again. I'm busy with military affairs here. You can go back today."

"I'm not going back! I'm going to accompany you to attack the human race here. I believe that brother Crown Prince will soon break through the human race's defense line."

Ao Ji's expression darkened. "I've already given my aunt some face by letting you go to the front line. If you continue to cause trouble, I'll tie you up and send you back to the Ankang Manor."

Princess Pian Pian stomped her feet. "I don't care. Unless you agree to marry me, I'll just stay here and not leave."
