

## The Yun Family's Ninth Child is an Imp! Chapter 2999

The next day, Princess Wang You Brought Hei Xinjiu and a few palace maids to the vicinity of the sacred palace.

Princess Wang You was quite satisfied with Yun Chujiu's red and green style. She asked the other palace maids to stand back and let Yun Chujiu serve her.

Yun Chujiu looked at the sacred palace not far away while dealing with Princess Wang You.

She didn't see anything special about it. It was just that it was a little more majestic. It didn't look any different from an ordinary palace.

Princess Wang You was calm at first, but she soon became impatient.

"If you keep walking around like this, when will you be able to see the Lord? I will barge in today. I don't believe that the Lord would really have the heart to slap me away!" Sheng Zun said

Yun Chujiu's eyes twitched. It didn't matter if Sheng Zun was courting death, but if Sheng Zun was beaten to a pulp, she wouldn't have a chance to get close to the Lord.

Therefore, Hei Xinjiu rolled her eyes and said, "Princess, the gate of the sacred palace can block your sight, but it can't block the sound. Why don't you play a zither or sing a song? Maybe you can lure the lord out."

Princess Wang You felt that what Yun Chujiu said made sense, so she began to play the zither outside the sacred hall.

Yun Chujiu felt that Princess Wang you played really well, but she was probably playing the zither to a cow.

Sure enough, Princess Wang You Sang and played for a long time, but there was no response inside the Sacred Hall. It was as if she was deaf.

Princess Wang You immediately vented her anger, "Ruhua, since you came up with the idea, you can sing! If you can't sing the Lord out, you don't have to eat dinner tonight!"

Hei Xinjiu's heart was like a beeping dog! ! Who Did she offend? !

She didn't know how to sing those lousy songs of the nightmare race either! This fellow had an idea. He translated the lullaby that Di beiming sang for her into the ancient nightmare language and started humming.

Princess Wang you frowned when she heard that. “What nonsense are you singing! Who are you trying to coax to sleep in broad daylight? Men, take him away and give him ten strokes of the cane!”

Just as Hei Xinjiu was about to defend herself, the door of the Sacred Hall opened!

Almost everyone was stunned!

Did this ru Hua Really Sing Sheng Zun Out?

Everyone’s eyes were focused on the man standing at the entrance of the Sacred Hall. The man was dressed in black and wore a silver mask on his face. Just such a figure was enough to make Princess Wuyou faint from excitement.

The corner of Yun Chujiu’s eyes twitched. However, she had to admit that the so-called lord was indeed somewhat domineering and was on par with Sheng Zun.

This guy narrowed his eyes and took a look. Why did he feel that Sheng Zun’s figure was so similar to Sheng Zun’s?

This guy shook his head. She was really confused!

How could Sheng ZUN appear here? Moreover, gigolo usually wore white clothes, and rarely wore black clothes.

Moreover, Gigolo's temperament was arrogant. This lord's arrogance carried a trace of gloom, so it was impossible for him to be a gigolo.

At this time, Princess Wang You woke up, with an excited trembling voice, she said, "Sheng Zun greets the lord. Sheng Zun, since the last time I saw you, I have been secretly in love with you. Today's weather is perfect. Why don't we go to the back garden to admire the flowers?"

Sheng Zun coldly glanced at Princess Wang you and said, "You, get lost! She, come here."

Everyone was instantly dumbfounded!

When the Lord said "You", he was obviously referring to princess wang you, and "She" was actually referring to the flowers?

Oh My God!

So the Lord actually liked this style? If they had known this earlier, they would have also gone green with red!
