

## The Yun Family's Ninth Child is an Imp! Chapter 3002

Hei Xinjiu opened the door and saw that the Lord had entered a room next door. It seemed to be a study room. Sheng Zun looked at Hei Xinjiu.

He looked at the bucket of hot water on the floor and released the Meng Yanshou, intending to let it go for a breather.

However, Hei Xinjiu thought that this curly-haired guy's thoughts were not pure, so he might peep at it. Therefore, she stuffed the Meng Yanshou back into the Spirit Beast Bag and let Xiao Hei out to let it go for a breather at the door.

Hei Xinjiu took a simple bath, and then she was a little worried!

This fellow felt that she was too good looking, what if she attracted the Lord's attention? If she put on makeup, the Lord would probably let her wash up again. This fellow took the only remaining Sheng Zun Pill to look at it, and swallowed it painfully.

He took out a mirror to look at it, and when he saw the extremely ordinary appearance in the mirror, he nodded his head in satisfaction. This way, it was much safer.

Hei Xinjiu felt that everything was safe, so she pushed the door open and walked out.

The guards were all dumbfounded when they saw Yun Chujiu. It turned out that she didn't look so ugly after taking off her makeup. At least she wouldn't scare people when she came out in the middle of the night.

Hei Xinjiu didn't know what to do at the moment. That BULLSH \* t Lord didn't come out of the room next door and didn't give any orders. So, should she return to the palace of Forgetfulness or stay here?

This guy weighed the pros and cons and decided to stay in the Sacred Hall.

Firstly, that Princess Wang You probably hated her to death now! If she returned to the palace of Forgetfulness, she would be asking for trouble.

Secondly, her purpose of entering the palace was to get close to the Lord. Probably only this lord knew the way to return to the immortal Yuan continent. It was better to think of a way to get closer to Sheng Zun.

Just as Sheng Zun was thinking about this, he heard someone outside the sacred hall say respectfully, "Sheng Zun, His Majesty has prepared a banquet. He respectfully invites you to attend it."

Although the Sheng Zun had never attended a banquet before, in order to express his sincerity, Emperor Yan still sent Chief Ji of the Imperial Palace to invite Sheng Zun on time every day.

Chief Ji was already used to it. Every time he finished speaking, there would be no response from the Sacred Hall at all. It was as if he had not heard anything. He waited for half an hour before he could return to report his mission.

General Manager Ji waited for a while. Sure enough, there was no movement. Just as he was about to leave, he heard a low voice from inside, "What Time?"

General Manager Ji did not react for a while. The attendant beside him tugged at him. Only then did he react. He almost trembled as he said, "Five minutes at night."

After general manager Ji finished speaking, a faint "Mm" came from inside.

General Manager Ji said a few more polite words, like "I'll be waiting for your grand arrival" and so on. Unfortunately, there was no more movement from inside.

General Manager Ji did not dare to say anything more when he saw this. With the help of his subordinates, he scrambled back to deliver the letter!

After Emperor Yan heard that the Lord had agreed to attend the banquet, he immediately ordered the imperial kitchen to bring out their special skills. They had to ensure that the lord was satisfied with the appearance, fragrance, and Taste of Sheng Zun.

For a moment, the entire imperial palace was bustling with activity.

All the palace maids and guards had changed into brand new clothes. The roadside was decorated with lanterns and streamers. From the Sacred Palace to the meeting hall that was going to attend the banquet, all of them were covered in snow-white fur. The most beautiful flowers of the Yan clan were placed on both sides of the road.

Chief Ji was extremely busy. He wiped the sweat off his forehead and rejoiced in his heart. Fortunately, he was quick-witted and moved the time back a little. Otherwise, he would not have had time to prepare at all.

However, why did this Sheng Zun suddenly agree to attend the banquet today?
