

The Yun Family's Ninth Child is an Imp! Chapter 3004

Inside the temple, Hei Xinjiu finally woke up. When she opened her eyes, she was shocked.

She saw a person standing at the door, staring at her.

Hei xinjiu subconsciously looked at herself. Luckily, her clothes were still there. Oh My God, wasn't this Sheng Zun going to a banquet tonight? Why was he staring at her with his dead fish eyes?

Wait a minute, dead fish eyes?

When Hei Xinjiu looked at Sheng Zun's eyes again, she found that Sheng Zun's eyes were a little cold, totally different from di Beiming's angry eyes.

That's right, how could this psycho be a gigolo! She must have been scared silly just now.

Sheng Zun had no choice but to lower his head under the eaves. This guy hurriedly stood up and said in fear and trepidation, "Sheng Zun, I accidentally fell asleep just now. Please forgive me."

Sheng Zun stared at her coldly. Hei Xinjiu's little heart was thumping violently. was this crazy person going to make a move?

Just as Hei Xinjiu was about to speak, she heard a clearly trembling voice coming from outside the door, “Lord, I, I have come to fetch you to the banquet.”

The one who spoke was manager Ji. Fifteen minutes had already passed and there was still no movement inside the Sacred Hall. He could only take the risk of being slapped away and shout, “Sheng Zun!”.

Sheng zun frowned slightly and turned around to leave the room.

Hei xinjiu finally heaved a sigh of relief. Just as she was about to drink some water to calm herself down, she heard Sheng Zun’s voice from outside the door, “Aren’t you going to follow me?”

Yun Chujiu was stunned. was he talking about her?

When this fellow walked out of the door, he saw that Sheng Zun had already arrived at the main entrance of the Sacred Hall. The guards were all looking at her nervously, indicating that she should follow him quickly! Otherwise, the Lord would be furious again!

Yun chujiu thought to herself, since she was going to attend the banquet, and not to throw her life away, she might as well follow him! Perhaps she could even borrow the opportunity to eat some good food! It just so happened that she had not eaten dinner yet!

Hence, Sheng Zun followed behind the Lord and left the Sacred Hall.

Manager Ji, who was kneeling on the ground, almost cried when he saw the Lord Coming Out! It was not easy!

Sheng Zun was stunned when he saw Yun Chujiu. He had heard that Princess Wang You's palace maid, Ru Hua, had been brought into the Sacred Hall by the Lord.

However, didn't they say that the palace maid had a sallow face, eight-shaped eyebrows, red lips, and green lips?

Although this palace maid was wearing a green palace maid uniform, although she was not pretty, she was not ugly either. Was she the Ru Hua from before?

Although Chief Ji was curious, he didn't dare to ask further and carefully led the way.

Yun chujiu looked at the white fur on the ground and the flowers on both sides of the road and couldn't help but criticize Sheng Zun in her heart. This lord really has quite a grand presence. HMPH! He was struck by lightning for acting cool!

Boom!

A purple heavenly lightning descended from the sky and struck Hei Xinjiu.

Hei Xinjiu: "..."

Damn it, Blind Heavenly Lightning, you've struck the wrong target!

However, could such a blind heavenly lightning strike her again? It was fine even if it didn't include mail!

Manager Ji and the others looked at Hei Xinjiu with a dumbfounded expression. How could this RU Hua be completely fine after being struck by the Heavenly Lightning?

That's right, the Lord must have defused the heavenly lightning for her without batting an eyelid. The Lord was truly unrivalled in his skills. He was indeed worthy of being the lord of their Yan clan, Sheng Zun.

Hence, everyone's gaze towards Sheng Zun became even more pious and respectful!

Yun Chujiu: "..."

What exactly happened? Why did it feel like after she was struck, everyone's reaction was so calm?
Could it be that the Yan clan's people were often struck by lightning?
