

## The Yun Family's Ninth Child is an Imp! Chapter 3011

Hei Xinjiu sang until her throat was smoking. There was no movement in the temple, and the lights were off. It was obvious that the Lord had gone to sleep!

Damn it!

This was too much of a bully!

Forget it. There was nothing that could not be solved with a good night's sleep. He would sleep first.

Therefore, this fellow took out a small omnipotent tent and placed it at the entrance of the temple. He said to buttface, "I'm going to rest now. Do As you wish!"

Buttface:" ..."

Didn't he say that he would take him to the temple for a walk? Didn't he say that he would take him to fly with him from now on? Was he going to be a watchdog at the entrance of the temple?

Although Buttface was dumbfounded, he still sat beside the tent and meditated. No matter what, the entrance of the temple was better than other places.

The next day, Buttfacet woke up early. He couldn't fall asleep even if he had something on his mind! He thought that Hei Xinjiu would wake up early as well, but the sun was already high up in the sky, and Hei Xinjiu was still asleep.

Buttfacet thought to himself, this guy's heart is really big! Wasn't she afraid that the Lord would ignore Sheng Zun from now on? Wasn't she afraid that Emperor Yan would settle the score later?

After waiting for a while, Hei Xinjiu finally came out of the tent. She stretched her back before she staggered to the entrance of the temple and began to knock on the door.

"Lord, it's been a whole night. You should be less angry now, right? I was just using Sheng Zun as an excuse. Do you have to be so angry?"

Yun chujiu shouted a few times, and footsteps came from inside.

Hei Xinjiu was delighted. She didn't expect that it was the triangular-eyed guard who came out from San Jiaoyan.

The triangular-eyed guard gloated, "Ruhua, the Lord said that you should go where you came from. If you make any more noise outside the temple, the Lord will slap you away."

Go wherever you come from?

Damn it, she could go wherever she wanted, but unfortunately, she could not go back!

Sheng Zun rolled his eyes, stretched his neck and shouted, "Hey! Lord, I can help you do what you want to do. Let's Talk!"

There was still no movement inside the temple. Hei Xinjiu was angry. It seemed that the lord was determined to drive her away.

F \* ck, so be it. If I don't stay here, I'll have my own place to stay!

This guy turned around and walked a few steps. After thinking for a while, he still could not do it! If she wanted to return to the immortal Yuan continent, she could only hug the lord's thigh tightly.

Forget it, she could just forget about her integrity and face!

Therefore, this guy returned to the entrance of the temple and shouted, “Sheng Zun, I was wrong! I shouldn’t have only cared about eating and not pouring wine for you yesterday. I shouldn’t have used your name to bully others.”

There was still no movement inside the temple. Hei xinjiu gritted her teeth, sheng zun shouted, “My lord, I shouldn’t have touched your hand secretly. I swear that I have no ill intentions towards you. I have a fiancé!”

There was still no movement inside the temple. Hei Xinjiu pursed her lips. It seemed that there was really nothing she could do. She couldn’t beat Sheng Zun, so she couldn’t force her way in, could she?

Forget it, I’ll think of another way. Let’s leave the palace first.

Not long after Hei Xinjiu walked out with buttface, she was stopped by Princess Wang You and a group of guards.

“Take down this B \* Tch! Do you really think you’re a Phoenix? Bah! You Ugly Freak is simply causing trouble!” Princess Wang You Said viciously.

“Scram to the side!” Hei Xinjiu was fuming in her heart, so she naturally did not have a good expression.
