

The Yun Family's Ninth Child is an Imp! Chapter 3014

"Stop playing tricks in front of me! You came from the Yan clan's poisonous miasma area, didn't you?" Sheng Zun said coldly.

Yun Chujiu's heart skipped a beat, however, she had a blank expression on her face. "Poisonous miasma area? Maybe! Maybe the Yan clan's holy beast threw me into the poisonous miasma area. I'm really lucky. If I didn't fall into the dark continent, I would have been poisoned to death by the poisonous miasma."

Sheng ZUN's expression became even more mocking. "It's okay if you don't tell the truth. You can follow me, and I will bring you back to the immortal Yuan continent.

"However, you must listen to my arrangements unconditionally. If you don't listen to my arrangements, then we will not interfere with each other."

Yun chujiu immediately promised, "Sheng Zun, don't worry. I will definitely listen to your arrangements. So, what should I do now?"

Sheng Zun glanced at her with a look of disdain, "Stay as far away from me as possible."

Hei Xinjiu: "..."

“In that case, I will get as far away as possible. You are busy.” After saying this, Hei Xinjiu left the study room and gently closed the door.

This guy gritted his teeth. What the F * CK, did he think that she was willing to stay with him? If it was not for the sake of returning to the immortal Yuan continent, she would not have bothered with him! Pui! Shameless!

Hei Xinjiu walked out of the study room and looked around. The Sacred Hall was very big and there were plenty of rooms. This guy selected a room and finally chose a room that was close to the lord’s bedroom.

The reason why this guy chose this room was because, firstly, this room was indeed the best. Secondly, this guy had little jiu jiu in his heart and was closer to that psycho. If there was any movement.., she would be the first to know.

When the guards saw that Hei Xinjiu had chosen a room openly, they had a sudden realization. It seemed that the Lord had really taken a liking to the red and green combination. Could it be that the Lord did not have good eyesight?

Hei Xinjiu used her power to command the guards to clean the room, then, she pointed at the guard’s leader and said, “Go and find that Sheng Zun. Tell him that the Lord’s meals will be delivered according to the standards of Yesterday’s Banquet. Oh right, tell him to prepare double portions.”

Although the head of the guards thought that Hei Xinjiu was a little shameless to ask for double portions, he did not know how luxurious the banquet of the Lord was yesterday, so he eagerly went to find general manager Ji.

After listening to the words of the head of the guards, general manager Ji's face broke down. According to the standard of Yesterday's Banquet? Was this Ru Hua trying to raise the Lord like a pig?

However, he did not dare to make the decision and quickly reported the matter to Emperor Yan.

Emperor Yan glared at him. "Regardless of whether it's that Ru Hua or the lord's order, just follow it. It's just some food. If you anger the lord, the consequences will be unimaginable!"

Hence, ever since Hei Xinjiu moved in, the standard of food in the Sacred Hall had undergone a qualitative leap. This fellow was not stingy. He often rewarded the good dishes to the guards. Well, the portion was given to the Lord, and this fellow saved his portion.

For a few days, nothing happened.

Sheng Zun stayed in the study room except for his bedroom. He did not cause any trouble for Hei Xinjiu.

The more Hei Xinjiu thought about it, the more suspicious Sheng Zun became. Therefore, she sat in her room and let out the Nightmare Beast. “Curly hair, I think that Sheng Zun looks like someone I know. Have you seen Sheng Zun’s face before?”

“Haha, Haha! I’m dying of laughter! I’m dying of laughter! Do you know that Sha Xing? Forget it!” Meng Yanshou laughed so hard that he rolled on the ground
