

The Yun Family's Ninth Child is an Imp! Chapter 3019

Hei Xinjiu realized that her worries were unnecessary because the lord did not say anything. It seemed that he only asked her to change her flying tool.

At first, she did not feel anything, but as time passed, she felt a little uncomfortable.

Because the sword of the Lord was not particularly broad, the distance between the two was very close. She could even feel the hot breath of the lord brushing past her ear. She felt inexplicably ambiguous.

“Well, Sheng Zun, I’d better go with Buttface! I Won’t trouble you!” Hei Xinjiu said.

Sheng Zun just looked at her coldly. “Either stay here or don’t follow me!”

Hei Xinjiu felt that this sentence was very similar to the pretty boy’s “Die or get lost”. was there really such a similar person in this world?

Hei Xinjiu’s gaze fell on Sheng Zun’s right hand. She would definitely find an opportunity to verify it.

Hei Xinjiu had no choice but to continue to stay on Sheng Zun’s flying sword.

Buttface, who was behind them, looked at the back view of the two. He thought to himself, why does this Sheng Zun and the bad news bag look so compatible? Moreover, it seemed like they were a couple.

His eyes must be playing tricks on him!

The Lord was probably just looking for a maid. Although the bad news bag was good-looking, she looked like an ordinary person now. How could the Lord like her? !

After flying for half a day, hei xinjiu finally realized what was going on. was she stupid? ! The Chopping Board was afraid of being exposed. She could totally summon a flying spiritual device!

Therefore, sheng ZUN quickly said, "My lord, it's too hard for you to ride the sword. Let's Ride the Flying Spirit Tool!"

Sheng Zun looked at her as if he was looking at an idiot. "Flying spirit tools can not fly in the dark continent. Otherwise, do you think I'm as stupid as you?"

Hei Xinjiu:" ..."

F * ck, I Can't talk properly anymore! Crazy!

Hei xinjiu comforted herself and thought that it was a pig behind her! What could humans have with a pig? Yes, that's right, there was a pig behind her!

Hei Xinjiu immediately began to imagine that the Lord with a pig's head could not help but giggle.

Sheng Zun frowned and asked coldly, "What are you laughing at?"

"Haha! Haha! Nothing, I just thought of something funny. It has nothing to do with you, Haha!" Hei xinjiu laughed until she covered her stomach.

The lord frowned even more. For some reason, he felt that Hei Xinjiu was laughing at him. But what was so funny about him?

Buttface saw that the two of them were "Talking and laughing". For some reason, he felt that he was unnecessary. But for the sake of his life, it was better for him to follow them. Otherwise, Princess Wang you would not forgive him.

After a series of self-hints, Hei Xinjiu immediately threw the uneasiness to the back of her mind. After all, she was only pretending to be a gigolo. As long as she was doing the right thing, she would not feel guilty.

Therefore, this guy took out a spirit fruit and started munching on it. He leisurely enjoyed the scenery around him and treated it as a free ride on a sightseeing bus. Well, there was also a pig-headed driver behind him!

Seeing Hei Xinjiu eating the fruit and enjoying the scenery, the lord's eyes flashed with a faint light. The flying sword suddenly jolted. Hei Xinjiu was caught off guard and almost fell off the flying sword. She only felt her waist tighten, so, she was hugged by the Lord..

"Sheng Zun!" Hei Xinjiu's heart palpitated. Just when she was about to break free, the Lord had already let go of her hand and said coldly, "You're really stupid. Do you want to fall again?"
