

The Yun Family's Ninth Child is an Imp! Chapter 302

Although Yun Chuwu and the others were already used to Yun Chujiu's ferocity, they were still a little shocked when she chopped off their heads like a carrot. Yes, Little Jiu was indeed brave!

Yun Chujiu looked at the five corpses on the ground and muttered, "Sigh, I miscalculated. I should've dragged them outside and chop them up there! The clean cave is now dirty! Fifth sister, help me drag them inside."

Yun Chujiu ordered Yun Chuwu and the others to drag the five corpses into the secret room. Then, she cleaned up the blood stains on the ground and asked, "How did you get caught by them?"

Yun Chuqi gnashed her teeth and said, "This morning, when we were collecting Purple Hawk grass, we met these five people. We originally planned to crush the jade tokens, but we did not expect the Bai siblings and Yun Chushan to rush over. They said that we're all from Spirit Radiance Sect, so we have to be unanimous at a time like this and face outsiders together!

"It was six against five, so we weren't afraid of them. Moreover, the Bai siblings' spiritual power is very high. We didn't expect that the three of them would actually help those five people to restrain us while fighting. We didn't even have the chance to crush the jade tokens."

Yun Chujiu sighed. "What did I tell you? You can't let your guard down. You'll learn your lesson this time, won't you?"

Yun Chuwu and Yun Chuqi hung their heads in shame and did not say a word. If they had not met Little Jiu, they would definitely have lost their lives!

"Senior Sister Su, please keep what happened today a secret to prevent the Heavenly Gates Sect from taking revenge!" Yun Chujiu looked at Su Yun by the side and thought to herself, 'Senior Sister Su has already been implicated twice by us. It could be fate.'

Su Yun nodded. She was grateful for Yun Chujiu's life-saving grace, and she was also shocked by Yun Chujiu's valiant behavior, so she naturally would not raise any objections.

"Let's make do here for the night, and we'll discuss the next step tomorrow!" Yun Chujiu yawned and said.

"Little Jiu, go ahead and sleep. I'll be on night duty!" After this matter, Yun Chujiu's actions became more steady.

"Alright, the three of you take turns to be on night duty! I won't participate! After all, I'm still young. I have to ensure that I sleep and grow well!" Yun Chujiu said shamelessly.

Yun Chuwu and the other two were speechless.

At the same time, Elder Zhang, the leader of the Heavenly Gates Sect, cried out miserably outside the array formation. "Little Xiong! Who killed my grandson?!"

The other elders of Heavenly Gates immediately surrounded him. "Elder Zhang, what's wrong?"

Elder Zhang took out a broken jade token and said with tears flowing down his face, "Little Xiong's jade token was broken! My grandson was killed!"

Everyone comforted him. Every time a disciple died in a trial, there was nothing they could do about it.

"I gave him several defensive spirit tools. How could he die? How is this possible?!" Elder Zhang still could not accept the fact that his grandson was dead. "Maybe he encountered a group of demonic beasts and died. Elder Zhang, don't be sad!"

Elder Zhang said with a cracked voice as he stared at Ya Zi, "If it was a demonic beast, it's fine. But if I find out my grandson was killed by a person, I won't forgive him!"

Yun Chujiu sneezed twice in her sleep and turned over to continue sleeping. Yes, she made a small fortune today. Not bad, not bad!

The next morning, the four of them had breakfast and gathered to discuss their next step.

Yun Chujiu originally wanted to wait for the trial to end, but after hearing about Yun Chuqi and the others' encounter, she felt that the Bai siblings were up to something. She was a little worried about Yun Chusi and the others, so they decided to look for Yun Chusi and the rest.

They were truly enemies on a narrow road [1]. The four of them walked out for less than an hour and had bumped into the Bai siblings and Yun Chushan.
