

The Yun Family's Ninth Child is an Imp! Chapter 3024

Hei Xinjiu's face was filled with shock and astonishment, but her heart was bursting with joy!

Oh My God!

Once or twice was a coincidence, this was already the third time! It was definitely not a coincidence! Could it be that she had unlocked a new skill? In the future, all she had to do was open her mouth and summon the heavenly lightning?

This fellow could not wait to chant in his heart, "Baby Heavenly Lightning, quickly, quickly strike down!"! "Chop it down towards that pretentious Sheng Zun, chop him to death!"!

However, there was no movement at all.

This fellow thought about it for a moment, and it seemed like what she said was that pretentious Sheng Zun would be struck by lightning. Thus, she fiercely shouted in her heart, "Pretentious Sheng Zun would be struck by lightning!"!

There was still no reaction!

Hei Xinjiu didn't give up. She shouted in her heart a few more times, but there was still no reaction.

This fellow was so discouraged. It turned out that she was thinking too much. That's right. Xiao Heiniaos innate instinct wasn't a crow, so where did she get a crow's mouth? !

Xiao Heiniaos in the Spirit Beast Pouch: "..."

Ptui! I'm not a crow, okay? I'm a Black Phoenix!

Hei xinjiu hung her head low for a while. She suddenly remembered that the Lord had said that if she performed well in the tea ceremony, she would not be mistreated.

This fellow immediately became energetic. Damn it, this carriage and the black-horned horse had cost her a lot of nightmare stones. She could take this opportunity to blackmail them back.

Therefore, Sheng Zun smiled like a flower. "Lord, you promised to give me a reward. What kind of reward is it?"

"I've already given you a reward, which is to allow you to stay in the carriage. Otherwise, a maid like you should be sitting outside with buttface," the Lord said with a smile as he leaned against the wall of the carriage.

Hei Xinjiu:” ...”

She really wanted to strangle this lunatic to death!

Hei Xinjiu really wanted to splash the pot of boiling tea on Sheng Zun’s face. It was too f * cking bullying!

She bought the carriage, he bought the black-horned horse, and even the coachman, Buttface, was under her command. In the end, it was this big-tailed wolf who showed mercy that she could stay in the carriage?

Sheng Zun looked at Hei Xinjiu, he said indifferently, “What? I think you mean that you don’t seem to be willing to stay in the carriage and prefer to stay outside? I don’t like to force others. If you don’t want to...”

“No, no, I’m willing. I’m 100% Willing! Come, come, continue drinking your tea,”hei xinjiu said politely.

Burn you to death! Crazy! Why should she go outside? This was her carriage, hers!

For a few days, hei xinjiu was so insulted by the Lord that she wanted to hit the wall.

Hei Xinjiu did not feel that the black-hearted wolf in front of her had any similarities with di beiming. The pretty boy was arrogant, but he was definitely not as black-bellied as this crazy. This guy was simply eating people without spitting out their bones!

That morning, when Hei Xinjiu woke up, she saw the lord looking at her with a faint smile on Sheng Zun's face.

Hei Xinjiu's heart sank. What did this psycho mean? Did she talk nonsense last night? What did she say that she shouldn't have said?

When Hei Xinjiu was washing up, she finally realized why the Lord had that expression on Sheng Zun's face. The effect of the Transfiguration Pill had reached its limit, and her appearance had already recovered.

This fellow was a little flustered at first, but after thinking for a while, she thought, "F * ck, since it's already like this, I can do whatever I Want!"!

The Lord did not ask her why her appearance had changed. He just criticized her as usual, as if he felt that this was one of the great joys of life.

Hei Xinjiu was still jumping up and down in anger at first, but she had already become numb to it. If you want to say it, just say it! Wasn't it just a little embarrassing? It's not like I've never been embarrassed before.

I'm just shameless. Bite Me! HMPH!
