

The Yun Family's Ninth Child is an Imp! Chapter 3025

After walking for about half a month, there was nowhere to go.

“Sheng Zun,” buttface said carefully, “There is a forest in front of us. The black-horned horse can not enter.”

Sheng Zun got off the carriage and put the black-horned horse and the carriage into his storage ring. His movements were very natural.

Hei Xinjiu curled her lips. Shameless! That was clearly her horse and her carriage!

The Lord glanced at Yun Chujiu. He was clearly in a good mood. “It’s forbidden to fly here. Let’s Walk!”

Hei Xinjiu and buttface could only follow behind the Lord. Hei Xinjiu originally thought that they would encounter some nightmare beasts in the forest. However, they didn’t even encounter a nightmare beast, let alone an attack.

Sheng zun blinked his eyes and had an epiphany. The demon beasts must have been scared away by Sheng Zun’s mental pressure!

Sheng Zun went up to sheng zun and asked, "Sheng Zun, I want to interview you. Isn't it great to be invincible?"

Sheng Zun was stunned for a moment before he smiled bitterly. "It would be great if you are invincible. Of course, if I were to compete with you, I would be invincible because you are too useless."

Hei Xinjiu: "...damn it, if you don't Talk Back to me, Will you die? !

However, this fellow was obviously numb to being talked back to. He then asked, "Where are we going now? Are we going to the fallen God Abyss?"

Sheng Zun rarely did not talk back to her. He nodded and said, "Yes, but not us, but me. When we reach the vicinity of the fallen God Abyss, you can wait outside. I will go in and get some things."

"I'll go too! I want to go in and look for the thousand-leaf golden-grade lotus. I promise to be obedient and won't hinder you," hei xinjiu said in a flattering manner.

Sheng Zun hesitated for a moment and said, "Alright, you can go in with me. However, you must listen to me. Otherwise, you'll have to bear the consequences."

Hei Xinjiu thanked him profusely. That was great! With the thousand-leaf golden-grade lotus, she could refine the disguise pill!

The forest was very big. After walking for ten days, the three of them found that there was a large lake in front of them. It was azure blue and so beautiful that it made one's heart palpitate.

Hei Xinjiu could not help but exclaim in admiration, "It's so beautiful! Is this the fallen God Abyss? I didn't expect that the name is not good, but the scenery is so beautiful!"

Just as Hei Xinjiu was sighing, the Lord said to buttface, "If you stand in the lake, the Nightmare Beasts will not attack you." Sheng ZUN said, "If you stand in the lake, the Nightmare Beasts will not attack you."

After saying that, the Lord grabbed Hei Xinjiu's hand and jumped into the lake.

Just as Hei Xinjiu was about to break free from the Lord's hand, the Lord said in a low voice, "If you want to die, you can let go of Sheng Zun."

Hei xinjiu immediately became obedient. It was no big deal!

Yun chujiu quickly understood what the Lord meant by letting go of Sheng Zun if she wanted to die. In the middle of the lake was a huge whirlpool filled with wind blades.

However, these wind blades could not pose any threat to Sheng Zun's spiritual energy shield. The two of them were sucked in by the huge suction force.

After an unknown period of time, when Hei Xinjiu regained her sight, she found Sheng Zun lying beside her. She did not know whether he had fainted or fallen asleep, but he did not open his eyes.

Hei Xinjiu panicked for some reason and reached out to push Sheng Zun. "Hey! Wake Up! What happened to you?"

Sheng Zun did not wake up. Yun chujia then realized that Sheng Zun's lips were pale and dry. Although his face could not be seen through the mask, he must be as pale as a piece of paper. What happened to him? Wasn't he awesome before?
